## Expressions of Interest

### 14 ERLISTOUN STREET, LAVERTON

The Shire of Laverton is calling for Expressions of Interest for a suitably qualified contractor to carry out various repairs at the Old Police Station, 14 Erlistoun St.

Works to be completed:

- Multiple internal and external repairs to buildings
- Repairing cracked walls & ceilings
- Painting
- Replace and source door & light hardware to match the building
- Asbestos fence removal

To be considered you will need to provide:

- Public Liability and all relevant insurances
- Asbestos Licence

Attention to detail is a priority at the Old Police Complex as it is a historic building within Laverton. Works on the property will need to match the time period and aesthetics of the building.

A detailed scope of works can be obtained by contacting the Shire of Laverton on (08) 9031 1202, or via email [eto@laverton.wa.gov.au](mailto:eto@laverton.wa.gov.au).

Quotes to be sent to [eto@laverton.wa.gov.au](mailto:eto@laverton.wa.gov.au) by 5pm 15<sup>th</sup> October 2021.

**PETER NAYLOR**  
**CHIEF EXECUTIVE OFFICER**  
**SHIRE OF LAVERTON**  
(08) 9031 1202

# MURDOCH UNIVERSITY STERILISATION PROGRAM

Veterinary students from Murdoch University under the guidance of a senior veterinarian will be travelling to the Shire of Laverton to perform sterilisations, pet checks and micro chipping for registered dogs and cats in the Shire of Laverton.

**DATE:** Thursday 18<sup>th</sup> – Friday 19<sup>th</sup> November

**TIME:** Thursday from 9:00am – 5:30pm  
Friday from 7:30am – 5:30pm

**VENUE:** Shire Town Hall

## Vaccination Costs

- Vaccinations are **FREE** for pets being sterilised
- \$30 for Concession card holders
- \$50 for Non-Concession card holders

Murdoch students will carry out sterilisation and pet checks for **cats and dogs free of charge** to residents of Laverton. Registrations are to be paid for by the owner prior to surgery or on the day and a registration tag will be issued.

**Cash only** is taken on the day. If paying by eftpos, this must be done during office hours at the Shire Admin Building.

Please contact the Shire by 11 November 2021 if you are interested in having your pet sterilised and micro chipped.

There are limited sterilisation opportunities available.

For further information please call the Shire office on 9031 1202

## **NOTE:**

*From November 1 2013, ALL cats **must** be sterilised,  
Micro chipped and registered.  
ALL dogs must be micro chipped and registered by  
1 November 2015.*

**BUSH FIRES ACT 1954**  
**2021/22 Bush Fire Notice**  
**SHIRE OF LAVERTON**

**NOTICE TO ALL OWNERS OF LAND SITUATED IN THE SHIRE OF LAVERTON**

TAKE NOTICE that pursuant to section 33(4) of the *Bush Fires Act 1954*, where the owner of land who has received notice fails or neglects to comply with the requisitions of the notice within the time specified, the Shire of Laverton may by its officers and with such servants, workmen and contractors, vehicles and machinery as the officers deem fit, enter upon the land and carry out the requisitions of the notice which have not been complied with and pursuant to section 33(5) of the *Bush Fires Act 1954*, the amount of any costs and expenses incurred may be recovered from you as the owner of the land.

**Owners of land are reminded it is their responsibility to ensure the Bush Fire Notice is complied with and that the requirements of the Bush Fire Notice will be strictly enforced by the Shire.**

**FIRE PREVENTATIVE MEASURES**

Pursuant to the powers contained in section 33 of the *Bush Fires Act 1954*, you are hereby required to:

- Clear of flammable material firebreaks not less than 3 metres in width immediately inside all external boundaries of any lot owned by you and situated within the **Shire of Laverton**.
- Clear completely of all flammable material (save buildings, structures and fences) any lot owned by you and situated within the **Laverton Town Site**.

Such clearing may be constructed by one or more of the following methods:

SLASHING, PLOUGHING, CULTIVATING, SCARIFYING, RAKING, BURNING, CHEMICAL SPRAYING OR OTHER APPROVED METHOD, and are to be cleared to the satisfaction of an Authorised Officer of the Shire. In addition, you may be required to carry out further works which are considered necessary by an Authorised Officer of the Shire and specified by way of a separate written notice forwarded to the address as shown on the Shire of Laverton rates record for the relevant land.

In some instances, naturally occurring features such as rocky outcrops or natural watercourses and landscaping such as reticulated gardens or driveways may be an acceptable substitute for cleared firebreaks. This option must first be discussed with an Authorised Officer of the Shire and approved by the Shire of Laverton in writing. For the purpose of this notice grass kept at a height of less than 5 centimeters at all times covered by this notice will be deemed not to be flammable material.

All clearing and other alternative arrangements allowed by the preceding parts of this notice **must be established by 15 October 2021** (or within 14 days of you becoming the owner should this occur after that date) and maintained clear of flammable material until 1 April 2022.

**APPLICATION TO VARY THE ABOVE REQUIREMENTS**

If it is considered impracticable for any reason whatsoever to take fire preventative measures or establish other arrangements as required by this notice, you may apply in writing to the Shire of Laverton not later than 1 October 2021 for permission to carry out fire preventative work in alternative positions on the land. If permission is not granted by the Shire you must comply with the requirements of this notice. If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the *Bush Fires Act 1954*.

**THE PENALTY FOR FAILING TO COMPLY** with this notice is a fine of \$250, and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed by this notice if it is not carried out by the owner prior to the date required by this notice.

The responsibility for ensuring the protection of your property is yours. Proper preparedness for the fire season will enhance the capacity for you, your family and property to survive a fire should one occur. Fire preparedness measures are a defensive method of ensuring survivability from within your property boundary. This may be achieved by a variety of measures which include:

**Cleared firebreaks and driveways:** have the capacity to slow the progress and contain fires as well as provide access for emergency services.

**Hazard reduction:** burning, slashing, mowing and chemical treatment have the capacity to reduce the amount of flammable material on your property. The less fuel available to burn during a fire, the less intense the fire.

**Natural features:** such as rock outcrops usually have little flammable material on them. Natural features may be used in conjunction with other firebreak installation methods, such as linking them with constructed firebreaks and driveways, and as containment zones for hazard reduction burns.

**Reticulation:** Where specialized pastures are established under reticulation, this may, on application, be accepted in lieu of firebreaks provided the pasture is kept green.

**RESTRICTED BURNING PERIOD 1**

**1 OCTOBER TO 31 OCTOBER 2021 (INCLUSIVE)**

Permits to burn are required during this period for hazard reduction burning.

Alternative firebreak applications to be submitted by 1 October 2021.

Firebreaks must be installed by 15 October 2021.

**Please note that penalties apply where burning regulations are contravened or permit conditions are not complied with.**

**PROHIBITED BURNING PERIOD**

**1 NOVEMBER 2021 TO 31 MARCH 2022 (INCLUSIVE)**

All burning, including garden refuse is prohibited during this period.

Properties to be maintained clear of flammable material until 1 April 2022.

**RESTRICTED BURNING PERIOD 2**

**1 APRIL TO 30 APRIL 2022 (INCLUSIVE)**

Permits to burn are required during this period for hazard reduction burning.

**Please note that penalties apply where burning regulations are contravened or permit conditions are not complied with.**

Certain climate or weather conditions may cause these periods to be extended or shortened. You must check the press for details or call the Shire Office on 9031 1202 before commencing to burn.

**TO REPORT ALL FIRES RING 000**

Peter Naylor  
Chief Executive Officer

## REGULATORY INFORMATION

### PERMITS

Permits are required to burn bush or grass at any time during the Restricted Burning Period. Permits are available from the Shire of Laverton Administration Office.

### INCINERATORS

Incinerators must not be lit during the Prohibited Burning Period. Incinerators may be lit at other times provided the Fire Danger Rating is not Very High to Catastrophic. Incinerators must be properly constructed and designed to prevent the escape of any sparks or burning material. They must be located in an area at least 2 metres away from any building or fence and from which all flammable material has been removed and kept cleared.

### WELDING/CUTTING APPARATUS

If you are using a welder or operating a power operated abrasive cutting and or grinding disc of any kind, you must have at least one fire extinguisher present and be surrounded by a five metre firebreak.

### INSPECTIONS

An inspection of properties to ensure fire prevention work and hazard removal measures have been carried out will be completed by an authorized officer on or after 15 October 2021.

### GARDEN REFUSE

During the Prohibited Burning Period, garden refuse must not be burnt at any time.

During the Restricted Burning Period, garden refuse may be burnt during the day before 6 pm with a permit, subject to conditions.

Garden refuse may also be burnt without a permit after 6 pm during the Restricted Burning Period provided certain criteria are met. Set out below are legislative requirements from the *Bush Fires Act 1954* and the *Health Act 1911* in relation to burning together with a number of helpful suggestions. The legislative requirements have been prefixed with an asterisk. These as a minimum must be followed:

- \* The pile of refuse does not exceed 1 cubic metre
- \* An area 5 metres wide is cleared around the pile. (Lawn, driveways, paths etc. may be considered as cleared area)
- \* The fire is only lit between 6:00 pm and 11:00 pm
- \* The fire is completely extinguished by midnight
- \* At least 1 person is in attendance at all times. There is a means of extinguishing the fire available at all times (e.g. garden hose, knapsack spray or fire unit)
- \* The Fire Danger Rating is not Very High to Catastrophic
- \* The smoke from your fire does not cause a nuisance to neighbors and or traffic
- \* Do not burn plastics, other household or commercial waste
- \* Do not burn wet or green piles of material at any time as this will cause excessive smoke.
- Only 1 pile is alight at one time
- You notify your neighbors of your intention to burn.

During periods other than the Restricted or Prohibited Burning Periods, garden refuse may be burnt. For safety reasons you are encouraged to follow the same requirements stipulated above.

### PENALTIES

Section	Offence	Penalty
33(3)	Failure to comply with bush fire notice	\$250
25	Offences relating to lighting a fire in the open air	\$250
15(2)	Applying to another bush fire control officer for permit where permit already refused	\$250
17(12)	Setting fire to bush during prohibited burning period	\$250
24(D)	Burning garden refuse when fire danger is extreme or very high	\$250
24(G)	Burning garden refuse contrary to Ministerial or local government prohibition or restriction	\$250
24B(3)(a)	Failure to produce permit to burn	\$100

Other penalties may apply as specified in the *Bush Fires (Infringements) Regulations 1978*. Major offences may result in court action with penalties ranging from \$2,000 to \$250,000 and/or imprisonment.

## GENERAL INFORMATION

### KEEPING YOUR HOME SAFE FROM FIRE

There are a number of ways you can keep your home safe from fire –

- Install smoke detectors in your home
- Clear vegetation away from the walls of your home
- Clear all rubbish and inflammable materials from around your home and create a circle of safety free from flammable material (save buildings, structures and fences)
- Store all firewood, timber, petrol etc. well away from your home
- Prior to summer, clean all leaves and debris from your gutters
- Don't have flammable trees, such as conifers, near buildings
- Trim all branches that overhang the house, power lines and those that are close to windows and glass doors
- Fit wire insect screens or shutters to windows and glass doors

**a:** PO Box 417,  
Kalgoorlie WA 6430

**GNRBA IS UNDERTAKING GROUND BAITING OPERATIONS WITH 1080 WILD DOG BAITS**

Please be advised that the Goldfields Nullarbor Rangelands Biosecurity Association will shortly be undertaking its September Spring 2021 Wild Dog Control – (1080 ground baiting), in the Northern Goldfields, Goldfields and Nullarbor Regions.

The baiting is undertaken to reduce the impact of wild dogs on livestock on pastoral leases.

Please note the following:

- It is planned that 1080 baits will be laid in the period between Friday 10<sup>th</sup> September 2021 and Friday 29<sup>th</sup> October 2021. These baits will remain active for a longer period. Please remain aware.
- The baits will be the dried meat form, which contain 1080 Sodium fluoroacetate, which is a naturally occurring toxin found in some Western Australian flora species. As such, most native fauna species have evolved tolerance to it. **DOMESTIC DOGS AND CATS have ZERO TOLERANCE**
- Whilst these baits are laid in areas with appropriate exclusion zones/buffers (e.g. no baits within 500m of townsite boundaries or residential dwellings, or within 250m of public roads and tracks), and target specifically, wild dogs and feral cats, they may pose a risk to domestic dogs and cats, if these animals are taken into the baited areas.
- Accordingly, please warn all visitors who may bring domestic animals into the area and post signage as attached to this email, and this letter in a prominent place for the general public to observe.

If you have any concerns associated with this baiting operation, please contact:

Goldfields Nullarbor Rangeland Biosecurity Association on:

Amanda Day                      0487 108 255                      [admin@gnrba.com.au](mailto:admin@gnrba.com.au)

Michelle Donaldson CEO        0439 363 263                      [ceo@gnrba.com.au](mailto:ceo@gnrba.com.au)

# **1080 BAITING IN THIS AREA IS A RISK TO DOMESTIC PETS**

Please be advised that baiting programs using 1080 poison are carried out across Western Australia, including this area, and are aimed at controlling wild dogs, feral cats, feral pigs, foxes and rabbits. The poison baits remain toxic for many months. You need to exercise caution. Domestic pets should be kept close and under control at all times. Owners may consider the use of leads and muzzles for their domestic pets.

## **DO NOT RELY ON WARNING SIGNS**

**WARNING SIGNS ARE PLACED WHERE APPLICABLE,  
HOWEVER THEY MAY BE DAMAGED, REMOVED,  
VANDALISED OR DESTROYED**

1080 baiting is part of an integrated pest management program protecting livestock from death and injury; reducing the impact on pastoral and agricultural production; and helping to preserve the unique flora and fauna of WA.

Baits are not intentionally laid in public areas such as road reserves, parking bays, rest stops or roadhouses however can be inadvertently moved into these areas by animals and birds.

## **1080 is an S7 Poison**

## **POISON BAITS**

### **Have Been Laid in this Area for the CONTROL of WILD DOGS**

The Goldfields Nullarbor Rangelands Biosecurity Association (GNRBA) has laid sodium monofluoroacetate **(1080)** poison baits from the South Australian border to Norseman and up through the Northern Goldfields to reduce attacks by wild dogs on pastoral livestock.

Poison baits will be encountered adjacent to roads and tracks on vacant crown land and pastoral leases.

It is advised pets be restrained on a leash when leaving your vehicle and not allowed to wander more than 50 metres from the road side

## PUBLIC NOTICE

### **WARNING**

The Goldfields Nullarbor Rangelands Biosecurity Association Inc. (GNRBA) has a continuous 1080 baiting program on the Nullarbor extending right through to Kalgoorlie and to the Northern Goldfields.

“1080” wild dog baits are laid throughout pastoral and adjacent crownlands including DBCA reserves.

Dog owners should keep domestic dogs muzzled and on leads when travelling as these baits will remain lethal for many months.

## Laverton Community Resource Centre News- October 2021

Hello, welcome to the October edition of the Sturt Pea Magazine.

We would like to thank every single person who travelled near and far to celebrate Laverfest with us, it was an amazing weekend with an even better turn out! Thank you to everyone who sponsored this event, volunteered their time and helped to organise this event, it would not have gone ahead without you all. Pictures and event details will be available in the November edition of the Sturt Pea. Please note: All photo booth photos from the Gala Ball will be available to collect from the Laverton CRC in the near future, so please pop in to see us!

This months Seniors Morning Tea will be held on Thursday 28 October at the Laverton Community Resource Centre, 10:00am, come along and enjoy a game of Bingo, a laugh, some coffee and morning tea! Details on page 27.

The Better Beginnings Early Literacy program will be recommencing in the near future, the CRC Team have some exciting events planned, look out for upcoming advertisements.

Do you want to go into the draw to win 1 of 5 x \$100 gift cards? All you have to do is come visit the CRC and complete a 10 minute Customer Satisfaction survey, This Survey is really important to us as it is an opportunity for all community members and customers who use and value our services to provide feedback. Alternatively search the link below into your web browser and complete it online yourself or scan the QR code on page 15- <https://painteddogresearch.com/crc/> - Details on page 15.

Have a lovely October and enjoy the read!  
- Jezaire

## CDP NEWSLETTER

OCTOBER 2021

### *Tribute to our beloved Alan*

It is with a heavy heart that we say our final goodbyes to a wonderful man, Alan Taeipa – our Mr T.

Beloved husband to Sandra Taeipa, CDP Activity Supervisor and highly respected member of the Laverton community. Both Alan and Sandra have poured their heart and soul into their work with the Foundations CDP Program since its inception.

Words cannot describe how much we will miss you Mr T - the laughs, the successes, the invaluable mentorship you have provided to community, and the gift of being able to give whole heartedly in everything you undertook.

Alan's passion was evident as he shared his love for community with his beautiful wife Sandra.

Our love and support will continue for Sandra, continuing Alan's legacy within community. Your positive spirit will continue within community for years to come.

A special memorial was held in Perth last week with family and friends along with a staff Foundation Ceremony.

A sincere thank you to everyone who has sent well wishes, we are truly grateful.

Rest in peace our dear friend, we will remember you always.

## CDP NEWSLETTER

OCTOBER 2021

### *Literacy Pilot Launches in Community*

CDP recently launched the first of its kind Reading and Writing Pilot Program to CDP participants within the Leonora Community with The Sound Way Creator Craig Henderson in person to officially introduce.

This Train the Trainer concept gives us the opportunity to train our CDP staff across the Region - to then teach others within our Program.

Literacy, Reading and Writing Capacity Building was key to the feedback received from Community Consultation and findings taken from our recent CDP Regional Roadshow.

This incredible Program has already received praise, and will re-commence post school holidays in both Leonora and Laverton Communities. Wiluna and Menzies participants will also join at a later date.

*Spaces are limited however we invite any last-minute participants to have a in confidence conversation with your local Case Managers about joining this great program.*

### *CDP TEAM CONFERENCE, PERTH*

**28 - 30 SEPTEMBER 2021**

Our inaugural 'CDP TEAM CONFERENCE' has commenced in Perth this week, with all Regional staff in attendance.

This week will give all staff not only the opportunity to reconnect, but to also gain an insight into the various programs the Foundation offers including our own Wirra Business Hub. Our wider Foundation family continues to grow each year with over 130 staff across Australia.

We look forward to sharing highlights from our Perth trip, closing with a cultural tour of Kings Park. A very special guest will provide a Welcome to Country and Closing to our event with tribute to Alan Taeipa.

#### KEY DATES TO REMEMBER:

## Many Rivers

### Do you have a business idea?

Hi, I'm Shaun, your local business coach.

As a previous business owner, I know the challenges and benefits of running your own small business and I would like to help you to achieve your business goals.

Many Rivers can support you by:

- Assisting you to develop a strong business idea
- Remaining by your side as you build the business skills and confidence to make your idea a reality
- Preparing you with the tools you need to run your business such as legal support or business finance

Do you want to start a business? Give me a call today!

Contact Shaun Atkinson on

## Alcohol and Mental Health

Alcohol consumption can play a role in the development and progression of mental health conditions.

Alcohol is a depressant; it slows down the central nervous system; including the brain. When alcohol affects the brain, it can negatively impact how we behave, think, and feel.

Research indicates people choose to drink alcohol to help cope with stress, anxiety, and depression. Although it does provide short-term relief, alcohol consumption can lead to an increase in stress, anxiety, depression, and overall health. Long-term alcohol consumption can increase the likelihood of dependence, meaning we need more alcohol to cope with overwhelming experiences and/or everyday stresses.

## Sleep

Sometimes people consume alcohol to help them sleep. Although this might help an individual fall asleep for the first part of the night, it is likely to cause sleep disturbances in the second half, which is the most crucial part of a good night's sleep. A good night's sleep is vital for positive mental health, general well-being, and overall quality of life. It is important to have a good rest. Therefore, it is advised not to drink alcohol to help sleep.

## Suggestions

Instead of alcohol to cope with stress, anxiety and depression and poor sleep, here are some simple suggestions to try:

- Avoid screens 30minutes before bed. Invest in an alarm clock and charge your devices in a separate room.
- Write your feelings down in a safe place, such as a journal
- Talk to a trusted person about how you are feeling
- Keep active, even if you walk up and down your street
- Have something healthy to eat
- Ask for help
- Allow more rest and relaxation time
