## Shire News

The Shire of Laverton Administration Office is now open from 8:30am to 4:30pm, Monday to Friday (inclusive).

### **Hawks Place Water Tank**

Council has accepted an offer for the future ownership of the historic Hawkes Place Water Tank and infrastructure. As part of the process the Water Corporation have included a substantial financial incentive which will assist Council in planning for future works and to investigate the opportunity to reinvent the area as a spectacular tourism site.

### **Laverton Airfield – Toilets**

With the additional flights and passengers now operating through our airfield, the existing toilet provision is not adequate. We have supplied a trailer with two portable toilets to assist for an interim period. Plans are in place to relocate a modular building from the north side of the airfield reserve to an area to the west of the airport terminal in a more permanent capacity, and this should happen within the next two weeks.

### **Laverton Refuse Site – Removal of Scrap Metal**

The Shire has entered into a contractual arrangement with Sims Metal for the collection of the scrap metal at the Laverton Refuse Site. The contractors will commence work on site on Thursday 3 May 2018, so please exercise caution when accessing the refuse site. The contractors will also be interested in collecting large deposits of scrap metal products from other areas within the town, so if you are interested in the disposal of scrap metal from your property please contact the Shire.

### **Laverton Townsite CCTV Camera Coverage**

We have commenced working with the Police to identify CCTV Black Spots within the townsite. This coordinated approach will assist us to apply for grant funding for installation of additional CCTV Cameras.

### **Relocation of the Skate Park to Leahy Park**

This project will soon commence and will be a joint project between Council and the Laverton Youth Council.

### **Laverton Community Hub Projects**

The tender process has now been completed and will soon be presented to Council to finalise contract arrangements, which will enable works to commence.

### **Television Re-Broadcast Service**

Unfortunately there has been a delay in the provision of equipment from overseas, which in turn has delayed the works to install the new SBS Dish. It is now anticipated that the new equipment will be installed about mid-June 2018.

This is disappointing and we again apologise for the inconvenience being experienced.

### **Old Laverton Road – Update**

The realignment of the Old Laverton Road is progressing well and is nearing completion. The stabilisation of various floodways and the sealing of approximately 300 meters from the end of the existing bitumen are due to take place on 11 & 20 May respectively.

### **Airport Lighting Upgrade – Update**

Elite Electrical have completed the trenching and installation of conduit at the Laverton Airport. Connection and fitting of the runway lighting will commence next week and is due to be completed by early June.

### **Bandya Road Culvert Installation – Update**

Installation of a culvert on Bandya Road at approximately the 50km mark will begin shortly. The drainage pipes have been ordered and the site has been pegged for the contractor to commence work. Traffic Management will be in place to assist with vehicle movement.

### **Great Central Road - Update**

The Shire of Laverton is pleased to advise that emergency funding has been awarded from Main Roads WA to upgrade the temporary diversion road near the Mount Shenton—Yamarna Road to allow for all vehicle access. The works are now in progress and will take around 10 days to complete.

Construction of the Great Central Road near the Shire border is nearing another major milestone with the sealing of an additional 15 kilometres to take place between 13-19 May 2018.

Finally, sealing of 600 meters has also occurred at the intersection of the Great Central Road and the Mount Shenton—Yamarna Road to facilitate access to the Gruyere Mine Site. This project was constructed by MACA Contracting and was funded by Gruyere Joint Venture.

### **Solar Lights**

Thirty-one Solar Lights have been ordered and will be installed on the pathway between the Hospital and the Wongatha Village - these five meter poles will be installed as soon as they arrive, we estimate the project will commence in early June.

### **Staff Updates**

Regretfully we will be saying farewell to Bill and Sharon Melrose in May when they leave Laverton to return to Queensland to live. They will both be greatly missed in Laverton. Sharon has worked tirelessly as our Cleaner for five and a half years, and she and Bill have also done an amazing job at the Historic Police Complex, both inside the buildings and outside in the grounds and gardens. They have restored some very interesting items and pieces of furniture to bring the House to life and to give visitors an idea of how it would have looked at the time it was in operation. If you haven't been for a look since it reopened, it is well worth a visit.

We are pleased to advise that Ms Tracey Wasson, one of our casual Cleaners, will take up the full time Cleaner position, however we are seeking a new Caretaker(s) for the Historic Police Complex. Please see the advertisements for this and the now vacant casual Cleaner position elsewhere in this edition.

The Shire would like to welcome the Cashless Debit Card team: Regina O'Donoghue as the Coordinator and Tanya Indich and Erin Foley as Administration Assistants. You can find them in the Cashless Debit Card office (the former Pre-Primary building) if you need any assistance with the Cashless Debit Card.

We have also farewelled Poppy Lever following her temporary part time Youth Services Officer work and thank her for all the great work she has done with Kevin and the kids, particularly through the school holidays. Phil Porteous has joined the Shire as a casual Youth Services Officer and we welcome him to the team.

I would like to extend a warm welcome to Giarna Evans from Laverton School. Giarna will be doing Work Experience in the Shire Administration Office one morning a week, and I hope you find your time with us interesting and instructional.

**Chief Executive Officer**

## **LAVERTON HISTORIC POLICE COMPLEX**

***Do you have a keen interest in the heritage and history of Laverton and would you like to share this with others?*** If so, the Shire has an opportunity that may be of interest to you.

The Shire's Historic Police Complex in Erlistoun Street, comprises the Sergeant's House, Police Station and Gaol. This restored complex has been fitted out with historical displays for viewing by visitors, tourists and other interested people.

Sadly our current Caretakers, Bill & Sharon Melrose, are returning to Queensland and the Shire is now seeking someone to continue the good work they have started there. The Shire is prepared to consider a variety of options and work in with your needs and requirements. Options could include, but are not limited to:

- A live-in caretaker, whereby you would live in the historic police house or live in your own accommodation (caravan), in exchange for maintaining the Complex and opening up for viewing;
- Casual or part-time employment where you would be paid to attend and open up the Complex at fixed times and possibly be on-call outside of the fixed hours;
- An individual volunteer or a group of volunteers that can be called on to open up the Complex as required. This option may suit a community group where the group receives a donation from the Shire for opening up the Complex to assist with fundraising;
- Any other option that achieves the desired outcome.

Please register your interest with the Shire's Executive Manager Corporate and Community Services (EMCCS) by telephoning Mr Ron Scantlebury on (08) 9031-1202 or 0429-944-901 or by emailing [emccs@laverton.wa.gov.au](mailto:emccs@laverton.wa.gov.au).

## **REMOVAL OF SCRAP METAL LAVERTON REFUSE SITE**

The Shire has entered into a contractual arrangement with Sims Metal for the collection of the scrap metal at the Laverton Refuse Site.

The contractors will commence work on site on Thursday 3<sup>rd</sup> May 2018, we request that you please exercise caution when accessing the refuse site.

In addition to the above whilst the contractors are in town they will be interested in collecting large deposits of scrap metal products from other areas within the town.

If you are interested in the disposal of scrap metal from your property please contact the Shire office on 9031 1202.

## **LOCAL ADVERTISING**

Hello and Welcome to the May edition of the Laverton Sturt Pea magazine,

The Community Resource Centre is busy coordinating with the Great Beyond Visitor Centre the upcoming Laverfest Festival, which will be held on Friday 25 May, Saturday 26 May and Sunday **27 May. Over the weekend there will be community markets, live music, fireworks, children's** activities, scramble golf tournament, museums and a gala ball. Tickets for the gala ball can be purchased from the CRC, details of Laverfest can be found on pages 16-19.

Wednesday 23 May is the National Simultaneous Storytime and the CRC will be participating through our weekly story and rhyme time program. All children 0-5 years and parents are invited to this event, details on page 12.

The monthly seniors morning tea will be held on Thursday 31 May. All seniors are invited to come along and enjoy a morning filled with BINGO, trivia and conversation over a cup of coffee or tea.

A reminder that on the third Monday of every month a practical driving assessor visits the CRC to deliver practical driving assessments. If you need to sit an exam appointments can be made either online or in person at the CRC. Please keep in mind that the exams need to be booked in advance at least one week prior to the date.

The staff at the CRC hope to see many local and visiting faces over the Laverfest weekend.

Enjoy the read,

Johanna McGuire  
Community Resource Centre Manager

# Scribblers Festival

The Scribblers festival 'Hunt for the Golden Feather Quest' was part of a creative learning program through FORM and in partnership with the Town of Claremont. Laverton Community Resource Centre signed up to participate in the festival.

The Laverton CRC participated through a feather decorating competition and a golden feather treasure hunt, which consisted of 7 golden feathers being hidden inside children and young adult books throughout the Library.

Many children visited the Library to browse the shelves of books, hoping to find one of the hidden feathers. Congratulations to the seven children who were successful in finding one. Along with the hunt 30 colourful works of art were created on cardboard feathers and placed on display for everyone to enjoy. While there were lots of amazing entries unfortunately there can only be one winner and one feather really stood out to us...we would like to congratulate Tyrique on winning the competition.

Congratulations,

## TYRIQUE

#### INFORMATION UPDATE April 2018

Tenant Advocate John Mason has responsibility to ensure that residential tenants are aware of their rights and responsibilities under the relevant legislation which in Western Australia is the Residential Tenancies Act 1987. All tenants are assisted whether they are renting through private landlords, through real estate agents on behalf of private owners and through public housing providers.

It is most important for those tenants in residential leases to be aware of their responsibility in respect of informing lessors should they be absent from the rented property for any more than a reasonable period. This includes all categories of tenants and there may be occasions when people will be absent from rented properties for extended periods in which case common sense dictates that the lessor needs to be aware of the impending absence. Long holiday breaks spring to mind as a key reason for tenants being absent for more than a few days.

It is therefore most important if tenants are going away for a long period of time to let the lessor know in writing so they are aware of the absence and to ensure that rent is paid for the corresponding period.

There are situations though when tenants fail to indicate their intended absence to the lessor and as such risk the possibility of being thought of as having abandoned the premises. In such cases the provisions within the Residential Tenancies Act 1987 allow for relevant action if the lessor suspects that the tenant has abandoned the premises as per Section 76A – *Termination of agreement by lessor if premises abandoned*, see attached. This entails the lessor lodging a Form 13 "Notice of Termination to Tenant if Premises Abandoned" with copies to be left at the premises and the last known place of employment.

Reasonable grounds for lessors believing that the premises have been abandoned include non-payment of rent and at least one of the following having occurred:

- uncollected mail, newspapers or other material at the premises
- neighbours or others have reported that the tenant has abandoned the premises
- the absence of household goods at the premises
- the disconnection of services (including gas, electricity and telephone) to the premises

The tenant has the option when having received a Termination Notice to lodge the counter application under Section 76B – *Dispute about section 76A notice*, see attached. Lodging the "Application For Court Order Form 12" with court costs of \$53.20 and will enable the tenant to seek an order to set aside the termination notice and to outline relevant circumstances to the court.

It is important for tenants to be aware of all the potential problems which can and do arise due to lack of communication in some instances.

**THIS IS A FREE SERVICE.** Those tenants seeking assistance need to make an appointment either by telephone (9021 1888) by free call number for those outside of Kalgoorlie/Boulder (1300 139 188) or in person at our office, 23 Maritana Street, Kalgoorlie during office hours 9.00am to 4.00pm.

GCLC does not provide assistance in finding accommodation as our main aim is to **KEEP TENANTS IN HOUSING.**

**76A. Termination of agreement by lessor if premises abandoned**

- (1) *If a lessor suspects on reasonable grounds that a tenant has abandoned the residential premises, the lessor may give a written notice to the tenant terminating the agreement.*
- (2) *The notice must be in a form approved by the Minister and must —*
  - (a) *be signed by or for the lessor or property manager; and*
  - (b) *identify the residential premises; and*
  - (c) *state the lessor is terminating the agreement because the tenant has abandoned the premises.*
- (3) *If the tenant does not take action under section 76B to dispute the notice within 7 days after being given the notice, the tenant is to be taken to have abandoned the premises.*

**76B. Dispute about s. 76A notice**

- (1) *If the tenant wishes to dispute a notice given under section 76A, the tenant may apply to a competent court for an order —*
  - (a) *setting aside the notice; or*
  - (b) *for compensation.*
- (2) *The application must be made within 28 days after the notice is given.*
- (3) *On an application under this section, the court may —*
  - (a) *if the application was made within 7 days after the notice was given — make an order setting aside the notice; or*
  - (b) *if paragraph (a) does not apply — make any of the following orders —*
    - (i) *an order terminating the agreement;*
    - (ii) *an order requiring the lessor to pay to the tenant the amount stated by the court as compensation for loss or expense incurred by the tenant because of the termination of the agreement;*
    - (iii) *any other order it considers appropriate.*

## HON ROBIN SCOTT MLC OF KALGOORLIE-BOULDER Member for Mining and Pastoral

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Robin is immensely proud of his trade, and for more than 30 years he worked as an electrical contractor to the WA mining industry, especially in the Goldfields. Robin has logged 4,000 hours in his Rockwell Commander, flying himself and his staff to electrical contracting assignments.

Robin is an enthusiastic campaigner for creating job opportunities through more apprenticeships for young men and young women. Pauline Hanson's One Nation policy is for subsidising apprenticeships 75% in the first year, 50% in the second year and 25% in the third year.

Robin Scott moved the Disallowance Motion which on 12 December 2017 defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote the gold industry and is presently campaigning for the reopening of the Norseman and Coolgardie offices of the Mining Warden.

Robin's priorities for 2018 include:

- ☐ Clean drinking water for remote communities
- ☐ MRI Scanner for the Kalgoorlie-Boulder Hospital
- ☐ New hospital for Laverton
- ☐ Aged care facility for Leonora
- ☐ Sealing of the Wiluna-Meekatharra Road
- ☐ Boosting apprenticeships
- ☐ Payroll Tax concessions for business with less than 100 employees; 50% reduction for businesses more than 100km from Perth and zero payroll tax for businesses more than 1,000km from Perth.

MENTAL HEALTH

# Pet Corner

By Jezaire Kelly

**As we all know, Laverfest is fast approaching in Laverston, (May 25th - May 27th) which will include a fireworks display for the community. Unfortunately most animals don't react well to fireworks, and can cause serious harm to themselves if their safety, secureness and precautions are not otherwise sorted to protect and ensure they are safe, prior to the event.**

## Keeping your pets safe:

- Take your dog out for a walk, prior to the event - they will be more likely to rest comfortably and sleep. Feed them before you leave so they won't be hungry.
- Close the curtains, blinds and doors / windows, and create a warm hiding place that will allow your pet to sleep in if they are frightened.
- Turn on the TV / Radio to try and drown out the noise of the fireworks.
- If your pet is startled easily / frightened easily, put them into a separate room with their bed, some food and water and a kitty litter box ( if it is a cat ). This will prevent them from damaging carpet / curtains / cords or anything else in the house
- Have toys available so they are able to distract themselves with them - these can include chew toys, balls, teddy bears, treats- ETC
- **MAKE SURE** every door and window in your house is closed and locked, animals are clever and can easily escape when they are frightened.
- Make sure your pet is registered and micro chipped incase you are planning to leave it in the backyard and they unfortunately escape, this will help them to be tracked down faster and it is also a legal requirement within the law.

## Top tips to remember!

- Do not growl / punish your pet for any damage or mess they have created, as being fearful is an instinct that they cannot themselves control.
- As soon as you return home, take your pet outside to go to the toilet, remember to use a leash as they still might be shaken up and could escape.
- If you know your pet is especially scared, try desensitisation to try and help them get over their fear, e.g. - while there are fireworks on, stay with them and give them treats and heaps of affection, so they can associate positive things with loud noises.
- For more information - consult with a Veterinarian if you are worried about your pet's wellbeing, and discuss options that are suitable for them, as well as you.

## STRAWBERRY & HAZELNUT FRENCH TOAST SANDWICH

*Cook mum a lovely meal for mothers day  
with this yummy recipe!*

- 1 Sweet Brioche loaf, cut into 8 slices
- 250g punnet strawberries, thickly sliced
- 1/3 cup (80ml) milk

- 1/2 teaspoon mixed spice
- 2 free range eggs
- Strawberries, extra to serve

### Step 1

Place half the brioche on a clean work surface. Spread with the hazelnut spread. Top with the strawberry. Sandwich with remaining brioche slices.

### Step 2

Whisk the eggs, milk and mixed spice in a medium bowl.

### Step 3

Melt half the butter in a large frying pan over medium heat. Dip 2 of the sandwiches in the egg mixture, turning to coat both sides. Transfer to the pan and cook for 2 mins each side or until golden. Transfer to serving plates.

Wipe the pan clean. Repeat with the remaining butter, sandwiches and egg mixture.

### Step 4

Serve the French toast sandwiches with cream and extra strawberries.

## HOME COMING

THE OLD MAN SAT BY THE BIG GUM TREE,  
WITH A SMILE UPON HIS FACE,  
HIS BACCY RESTING ON HIS KNEE,  
IN HIS HAND A PICE OF LACE.

HE TURNED HIS WRINKLED FACE TO ME,  
AND WITH A VOICE THAT SOUNDED SAD,  
TOLD FORTH THE STORY OF HIS WIFE,  
AND THE LITTLE LAD.

“SHE DIED OF FEVER”, THE OLD MAN SAID,  
“WAY BACK IN FORTY THREE”,  
THE LAD AND I JUST STRUGGLED ON,  
AND THEN HE WENT TO SEA.  
I HAD A LETTER, A CARD OR TWO,

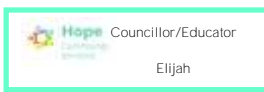

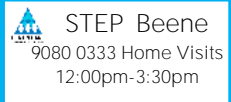

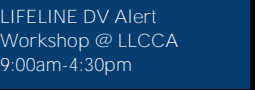

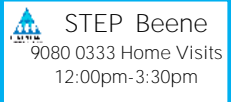

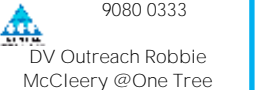

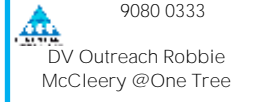

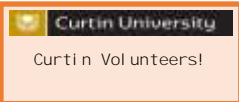

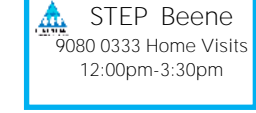

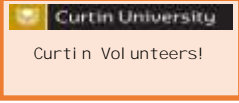

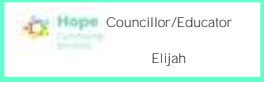

FROM FAR OFF DISTANT PLACE,  
HE TOLD ME THE SAD STORY,  
AS FINGERED THAT PIECE OF LACE.

I’D LIKE TO SEE MY BOY AGAIN,  
JUST TO HOLD HIS HAND,  
I WASN’T MUCH OF A DAD, YOU SEE,  
BUT I KNOW HE’D UNDERSTAND.

I TOOK THE OLD MAN’S HAND IN MNE,  
AND SAID, “I’M HOME TO STAY,  
WE BOTH FINGERED THAT PIECE OF LACE,  
AS TWILIGHT CLAIMED THE DAY.
