ANZAC DAY

Lest We Forget

Yuwa

This term at Laverton School, Room 6 high school kungka (girls) hosted an ANZAC Day assembly to remember those that have fought for our country, rights and freedom. Thank you to Mr Desman Cannons for coming along to remind us how important ANZAC Day is for us all. After the service we enjoyed a morning tea of ANZAC biscuits made by our high school students.

DREAM • ASPIRE • ACHIEVE

Laverton School sports court shade structure is underway with expected completion date of 28 May. The sport court yard has also extended and will have new fences around it. We are all very excited for this completion and we cannot wait to get under there to enjoy it with our Laverton students.

Joan Mitchell

I CAME TO VISIT FAMILY, AND I LIKED THE TOWN

Born in Warburton, Joan moved to Mount Margaret for a short period of time when she was around 12 years old, before being sent to Cosmo Newberry. Joan and her friend Linda (dec.) were the first two girls at the newly opened mission. She remembers being under the care of Mr & Mrs Lupton, and later Mr & Mrs Cotterill.

Joan did domestic duties at Cosmo until she married Russet Mitchell (dec.). Joan and Russet then travelled and worked on Stations in the area following the shearing and mustering seasons.

Joan's fondest memories was when she went on holidays to Esperance with her mission family - Carol (dec.), Linda (dec.), Doreen & Doris (dec.). The group visited Woody Island and for Joan it was the first time she had been on a boat. She will never forget the moment she saw her first Seal, she was so scared that she screamed and almost fell overboard! On the same trip, the girls would get chased by 'Gobble Gobble' the Goose as they tried to walk from the beach to the shops.

Joan misses the days of going out bush with her family & friends and would like to see the Seniors of the Community have the ability to go on bush trips. She also believes there is a need to have a access to transport specific to seniors to take them shopping and to the hospital for appointments. Housing for the elderly would also be welcomed.

Marlene Mitchell

IN THE OLD DAYS EVERYONE WOULD GO BUSH TOGETHER!

Laver ton has been home to Marlene since she was a young child. Marlene was born in Leonora but grew up at Cosmo Newberry. She did her schooling in both Laver ton and Cosmo, and worked on stations surrounding the town.

Marlene has one daughter Karena and also helped raise her nephew Daniel. She values living in Laver ton with her family, her Mother Joan and her Aunty Doreen. She adores her recollections of going to school with her cousins and trips out bush in the old days with her Aunty Doreen hunting Kangaroo's, eating damper & bush food and sipping on steaming hot tea that had been brewed over the coals.

Although Marlene would love to see more assistance with transport and shopping for the elderly community members, she is grateful for the Seniors Morning Tea's, the women's group at One Tree, Her Aunty Doreen's Office at the LLCCA and visiting the Great Beyond Visitors Centre. As an avid reader, Marlene is looking forward to reading about the history of Laver ton when the Great Beyond gets its expansion.

Doreen Harris

WE ALL THE SAME, WE SHOULD COME TOGETHER

Doreen was born in Warburton but moved to Cosmo Newberry at 11 years old. As a young adult, she worked as a house maid at Kurrawang Mission, before following the shearing and mustering seasons through Mt Margaret, Mt Weld, Yamarna, Laverton Downs, Yundamindra and Minara Stations.

Growing up, Doreen relished going out bush to look for Goanna's and Kangaroo's. These days she enjoys the NAIDOC celebrations and enjoyed visiting the school to watch the children learn the Emu Dance.

Doreen is an active member of the Laverton Community, working at the Laverton Art Gallery in her own space known as Marlu Kuru Kuru. She aspires to passing her distinctive painting skills and her knowledge of preparing Bush Medicine and natural scarf dying, to the younger generations here.

She is passionate about bringing the Laverton people together to ensure a united future, and believes communication, sharing things, talking and understanding each other's differences will insure this.

Mothers day

“

You taught me to
say Please and Thanks,
because politeness
is the way, so
'Please' can I borrow
some money?
Thanks!
Just kidding.
Happy Mother's Day!

FROM PLEASE AND THANKS

“

Roses are red,
violets are blue,
Happy Mother's
Day Mom!
Sorry you didn't
give birth
to a poet who
could rhyme!
