Shire News

The Shire of Laverton would like to raise the following items that may be of interest to community members. For further information, please visit the Shire website at www.laverton.wa.gov.au or contact the CEO during office hours if the information you seek is not on the website.

Local Government Elections 2021

The Bi-Annual Local Governments Elections will be held on Saturday 16 October 2021.

In the Shire of Laverton there will be three seats to be contested, each for a four year term.

Whilst the opening of nominations for the elections is still some time off, 2 September 2021, *it is important to note that all candidates prior to nominating must complete the online candidate induction from the Department of Local Government, Sport & Cultural Industries website.*

If any potential candidate would like to get information on this, please don't hesitate to contact me at the Shire Administration Offices.

Laverton Airfield Contract Management

As alluded to in a recent edition of the Sturt Pea Council has now resolved to enter into a formal contractual arrangement with Aerodrome Management Services (AMS) to manage the Laverton Airfield for the two-year period 1 July 2021 to 30 June 2023. The AMS employees managing the Airfield will be Robert and Wendy Strada.

St John Ambulance – Laverton Sub Centre

The Minister for Health, Hon Roger Cook, in a recent media release, has announced the placement of a Community Paramedic in Laverton.

This has been part of an ongoing campaign with SJA to provide much needed support for the local SJA Volunteers, it appears sometimes the "squeaky wheel" does get the oil.

This is great news and further information will be provided as it becomes available.

Laverton Early Learning Centre

Community members have approached Council in respect to the introduction of a Day Care facility in Laverton. Unfortunately, Child Care and / or Day Care facilities, as they were previously known, are now referred to as Early Learning Centres (ELC), and

there is National Quality Framework in place across Australia for children's education and care services, which must be strictly adhered to.

In acknowledging the benefit that the introduction of an ELC may have for Laverton, Council has resolved to engage the services of an independent consultant to prepare a business plan to investigate and provide an in-depth business and cost analysis for Council to consider.

Laverton Youth Services

The Youth Services closed for a period immediately following the end of January 2021 due to staff resignations.

Over the recent months we have been reviewing the services with respect to meeting the Department of Communities Agreement, meeting the needs / wants of the youth, and coordinating with other agencies / service providers to ensure we are not duplicating activities and seeking an all-round better outcome.

There was some delay in appointing staff to reopen the youth centre but our aim has been to employ the right people not simply to fill the positions because they are vacant. Shari O'Donoghue has been appointed as the Aboriginal Community Liaison Officer to oversee the Cashless Debit Card office and the youth services. As youth services officers, we have appointed Krystal Thompson, Tao Bonney and Dominique Isaacs.

The purpose in employing the three young people to work in the youth services capacity is that they have first-hand knowledge of the youth involved and will be able to engage with them at the required level to ensure they help set up the programs that they can better relate to.

In doing this we have also been consulting with the School, Police, LCCA, Wirrpanda, and Paakanu to set up weekly programs with input from all of the groups to have all encompassing programs.

Laverton Town Rules

The Laverton Town Rules were officially launched at a community function held at the Rotunda in Augusta Street on Wednesday 19 May at 5:30pm.

In introducing the Town Rules it was explained that the Rules have been prepared by the Laverton Stakeholder Group and have been in the development stage for a period of time. The 8 rules have been identified from a history of anti-social behavior experienced within the Laverton townsite, and in consultation with community members and various businesses and agencies. The rules are in no way having a go at or targeting a particular person or group of people, we just want everyone to be able to live and / or visit Laverton in a friendly and respectful way. We also want the community and visitors to appreciate the efforts that a lot of people go to in an endeavor to make Laverton a great place in which to live and visit, and enjoy the many facilities on offer.

Council supports and endorses the Laverton Town Rules and encourages everyone to embrace them and help make Laverton a better place.

It is now proposed to address each of the rules on a monthly basis with the first rule, "Let's keep Laverton clean and tidy, please put your rubbish in the bin", being endorsed as part of the annual Laverton clean-up day in June.

Laverton Airfield Under Cover Area

A short period ago fencing was installed around the car park area at the airfield with the intent of creating an expanded seating and undercover area for the comfort of the passengers arriving and exiting through the terminal.

In progressing the project, we have now received quotations to install shade sails on portion of the area and hopefully these works will commence very soon.

In addition to this we are seeking a quotation for the placement of a small modular building within the fenced area with the possibility of hosting a vending machine for the sale of coffee and other refreshments.

If you would like to know more about any of the items above, please do not hesitate to contact me at the Shire Administration Office.

Henry Pawlaczyk

GOLDEN OPPORTUNITY

Henry moved to Laverton in September of 2011 with his wife Catherine. He had a Brisbane upbringing, but was enticed to making a life in Laverton due to the non-congestion of traffic and the good climate - for 9 months of the year!

He has high regards for the health professionals and HAAC staff (Home & Community Care) in Laverton. He is grateful for their support personally as well as when he was a Volunteer Ambulance Officer, a role he most enjoyed.

Henry's thriving garden, is the envy of many. One thing Henry would like to see in the future is the town site to be fenced and grids placed at the major roads to ensure bovine's don't take advantage of his greenery. The other thing he looks forward to in the future is the sealing of the Great Central Road. It will open up the opportunity for others to enjoy the fascinating marvels of the district.

Henry is an experienced prospector and finding a 6oz gold nugget is one of his favourite memories of his life in Laverton. (He doesn't mind taking a win at the Seniors Bingo at the Community Resource Centre either!)

Catherine Pawlaczyk

BLESSED LIFESTYLE

Catherine was born and bred in Queensland, spending the early years of her life in Stanthorpe, Warick, Tin Can Bay and Brisbane before moving to Laverton with her husband Henry in September 2011.

Over the past 8 years, Catherine and husband Henry have appreciated the peaceful lifestyle, the rich history and the stunning wildflowers that Laverton has to offer. She also adores Senior's Morning Teas at the local Community Resource Centre.

Catherine is thankful for the great medical service the Laverton Hospital offers, but would also love to see a new hospital and upgraded facilities to provide better healthcare to aboriginal people.

Catherine's 'blessed lifestyle' keeps her here. Living in Laverton has allowed her to watch her husband find gold, meeting good people along the way and discovering and learning about Laverton's interesting past.
