Hello and Welcome to the August edition of the Sturt Pea,

What an awesome and fun packed month July was, with NAIDOC Celebrations and School Holidays the staff at the Laverton Community Resource Centre were constantly on our feet!

We would like to thank all of the volunteers and participants throughout NAIDOC Week it truly wouldn't be a possibility let alone a success, without your help and participation. So, thank you. Check out the photos and a recap of the week! (details p18-21)

Now that the School Holidays have ended the Better Beginnings Story and Rhyme Time Program is back up and running, open to all children 0-5 years and their parents/carers. The program is held 10am at the CRC every Wednesday morning, we love to see new faces!

It's time to show everyone your creative side and submit your entries for the 2018 Laverton Calendar

Photography Competition. Entry forms and conditions of entry can be collected from either the CRC or Great Beyond Visitor Centre. Entries close Friday the 1st of September at 4:00PM. Completed applications can be submitted in person at the CRC, ask for Jezaire or Aaliyah or emailed through to crcassist@laverton.wa.gov.au. (details p5)

The next Seniors Morning Tea will be held at 10am on Thursday 31st August at the CRC. We love seeing familiar faces and always welcome new ones. If you are finding it difficult to attend due to lack of transport please contact the staff at the CRC and let us know so we can try arrange someone to collect you and bring you along.

We have a very special guest coming to Laverton to grace us with his incredible musical talents. Roman Rudnytsky - an American concert pianist will be visiting Laverton on August the 25th at 6:00PM at the Shire Community Hall. Tickets are \$10.00 and are being sold at the Laverton Community Resource Centre. It is not very often we get special visitors like this to town so it would be really nice to see the community get together and make Roman feel welcome. (details p24-25)

The Laverton Community Resource Centre is currently seeking a new Permanent Part Time Library Officer as we are sadly saying goodbye to our beloved Tam. Tam, the staff at the CRC wish you all the best for your future endeavours and hope you stay in touch. (details p6)

I hope you have a splendid August and please, enjoy the read.

Aaliyah Tuhakaraina
Assistant Coordinator

SHIRE OF LAVERTON

Permanent Part Time Library/Community Resource Centre Officer

The Shire of Laverton has a vacancy for a permanent/part-time position as a **Library/Community Resource Centre Officer**.

The main tasks are Customer Service, maintaining the Public Library and supporting the CRC Coordinator in programs and services provided through the CRC. The position requires reliability, confidence to work unassisted on tasks and a willingness to train in both internal library systems and Department of Transport licensing. The applicant needs to demonstrate high Customer Service skills and be community minded.

The salary will be negotiated within level 5 of the Shire of Laverton Enterprise Bargaining Agreement 2012. The successful applicant will be required to undergo a pre-employment medical examination including a drug and alcohol screen and must complete a satisfactory Police Clearance and Working with Children Clearance prior to commencing duties. Application lodgement costs for these clearances will be refunded by the Shire on production of receipts.

Applicants can collect a position description from the Shire of Laverton Administration Office at 9 MacPherson Place, Laverton or from the Community Resource Centre. Applications should include a current résumé and are to be marked "Confidential Application – Library/CRC Officer". They should be addressed to the Finance and Administration Manager, Shire of Laverton, PO Box 42, Laverton WA 6440 and submitted either in person or via email hr@laverton.wa.gov.au .

Applications close at 5pm on Friday 18th August 2017.

Advice to the public

Re: Laverton Main Street Upgrade

During the latest swing of works various approvals and instructions have been granted. This has allowed QEM and its contractors to proceed with the construction of the planter box retaining wall located at the post office entrance and other related works.

Decisions regarding underground services (particularly in the vicinity of the post office and intersection of Wedgewood place) have now also been made which has resulted in road construction and road trimming works being completed.

- During the current swing of works **24th July through to the 13th of August** Quadrio Earthmoving QEM will be aiming to substantially complete the following areas of the Laverton Main Street Upgrade project.
- Complete the construction of planter box retaining wall including disabled access ramp.
- Begin installation of footpath paving at LV parking area and the area in front of hotel.
- Spray 7mm bitumen prime seal on all completed and exposed road pavement areas
- Install roadside Kerbing as per design
- Progress with installation of footpath paving alongside road kerbing
- Begin various landscaping works such as garden mulch, planting of trees/shrubs
- Gravel mulch verges
- Footings for street furniture
- Erection of some street furniture items (park benches, rubbish bins, tables)

Please note: During the road sealing works (approx date of 29th July – 3rd August) there may be some traffic delays and road closures. This is for the safety and wellbeing of the general public and we apologize for any inconvenience that may occur.

We will endeavor to keep any disruption to an absolute minimum and would like to thank you for your understanding.

If you have any further queries, please do not hesitate in contacting our office above or our representatives on site.

Yours faithfully

Mathew Wundenberg

On behalf of Quadrio Earthmoving Pty Ltd

SHIRE NEWS

The Shire of Laverton would like to raise the following items that may be of interest to community members. For further information, please contact the Acting Chief Executive Officer, Pascoe Durtanovich on (08) 9031 1202.

Main Street Project Upgrade

During the swing of works **24th July through to the 13th of August** Quadrio Earthmoving (QEM) will be aiming to substantially complete the following areas of the Laverton Main Street Upgrade project.

- Complete the construction of planter box retaining wall including disabled access ramp.
- Begin installation of footpath paving at LV parking area and the area in front of the hotel.
- Spray 7mm bitumen prime seal on all completed and exposed road pavement areas

Town and Road Crew Works

The Shire of Laverton's Construction Crew has recently completed gravel re-sheeting a section of Mt Margaret Road between SLK 4.2 and SLK 9.6 and is currently gravel re-sheeting Old Laverton Road between SLK 23.0 and SLK 27.0 until mid-August.

Once completed, the machinery will then be transported to Bandy Road to commence gravel re-sheeting a section of this road between SLK 7.5 and SLK 12.0.

Council's maintenance graders are at present grading the Great Central Road whilst the towns Maintenance crew have recently completed planting approximately 25 Hibiscus Tiliaceus trees along Craiggie Street.

Further trees are proposed to be planted at Laverton's Cemetery in the next couple of weeks and if any remain at various parks around town. The Shire of Laverton would like to thank Goldfields for the donation of these trees.

The remainder of the shire staff continue with their daily activities which includes rubbish collection, covering waste at the refuse site, street sweeping, Parks and Gardens maintenance and mowing.

Supply of Plant and Operations for Outback Highway Roadworks

Council has accepted a tender from C&A Taylor Grading Pty Ltd for plant hire for the Outback Highway roadworks. The contract is for four months with a two month extension option.

Local Government Elections – October 2017

The 2017 local government elections will be held on Saturday 21 October 2017. Councillors whose terms are ending in October this year are:

Cr Patrick Hill

Cr Shaneane Weldon

Cr Geoff Walder (previously resigned – vacancy carried forward)

Further details on the election will be provided in future editions of the Sturt Pea.

Chief Executive Officer Recruitment

Advertising for the position of Chief Executive Officer has concluded. Council has determined a short list of applicants for interview. Interviews will be conducted in early August.

Staff

We would like to welcome Kevin Naidu to the Community Services Team as our new Youth Officer.

Council Agenda and Minutes

Due to a technical problem we have been unable to upload copies of our Agenda and Minutes to our website in recent months, however copies are now available for viewing at both the Community Resource Centre or the Shire Administration Office or you can email ea@laverton.wa.gov.au to have a copy emailed to you (please note – this is typically a large file over 5mb). A new website is currently under construction and should be online by the end of August.

Council Meeting

The next Ordinary Meeting of Council is scheduled to commence at 5:00pm in the Council Chambers of the Shire Administration Office on Thursday 25 August 2017. Members of the public are welcome to attend.

Youth Program is for children 9-16 years
Children under 9 years must be accompanied by an adult at all times

At school, we worked with Jo from the Youth Centre, Mrs Miller and Ange from LLCCA learn about the importance of Language and Culture during our NAIDOC Week celebrations, with the theme 'Our Languages Matter'. We made our first YouTube video of our Welcome Song that we performed at the opening ceremony of NAIDOC Week – Check it out!

At School and the Youth Centre we made many drawings and paintings and really enjoyed creating the sand art with Marty and Mrs. Miller.

<https://www.youtube.com/watch?v=fT4X6kCh4GU>

We love Lego and making things, Emus, crowns, jewellery

Superheroes and Supersheroes

Netball tournament - Thanks Lauren Seelander for all your hard work.

We went Out Bush and had an amazing day, finding Honey Ants, Bush Tomatoes, Bush Bananas and eating Damper. Thanks to Janice, Bruce, Veronica, Roslyn and Marty.

We love our new stove and cooking equipment! We even quite liked Jo's strange favourite pancake topping of cheese and Vegemite!

We ended the holidays with afternoon tea, and enjoyed cooking, baking and eating. Many thanks to AngloGold Ashanti for their generous donations

We planted veggies, and when the seeds get bigger we will put them in our Community Garden at the Youth Centre which we hope to make soon.

Bubble fun and arts and crafts

We loved having the YMCA come down especially the gym kit and of course the Sumo suits!

Just hangin' around

Dates to remember:

Netball

Netball training for all ages began on 25 May, and has gone from strength to strength. Weekly attendance at the training sessions of 30+ children and young people of all ages of children has demonstrated its popularity. During NAIDOC Week junior and senior netball matches were played down at the Sports Club.

Netball is an activity that is planned to continue and will now be run by the community, delivered by the wonderful team of volunteers who are being supported by the mining companies.

Blue Light Disco

Many thanks to the Police for putting on the Blue Light Disco and BBQ, on the last day of term, which was a great success. More Blue Light Disco's will be planned on a regular basis.

NOW OPEN
**NOMINATIONS ARE NOW
BEING ACCEPTED FOR THE**
2017 SHEILA LAVER AWARD

The Sheila Laver Award is a prestigious award recognising people with leadership qualities who have made significant efforts in improving the quality of life for Laverton residents.

The Award is named in honour of Miss Sheila Laver, granddaughter of Dr Charles Laver and a pioneer of the Laverton district. Miss Laver was a former resident and strong supporter of Laverton. The inaugural Award was presented to Miss Laver in 1989 in recognition of her services to the community.

Nominations must be submitted the official Nomination Forms which are available from the Shire Administration Office, the Great Beyond Visitor Centre and the Community Resource Centre.

Nominees are expected to be people who have:

- ☆ Made a significant contribution to the community;
- ☆ Inspiring qualities as a role model;
- ☆ Demonstrated leadership on a community issue resulting in enhancement of community life;
- ☆ Made a significant initiative which has brought about positive change and added value to community life.

The closing date for acceptance of nominations is Friday 1 September 2017 at 4:00pm and the announcement of the recipient and presentation of the Award will be made on 21 October 2017 as part of the Laverton Race Day activities.

NAIDOC 2017!

The 2017 Laverton NAIDOC Celebrations were a big success and provided an opportunity for Community to come together and celebrate Aboriginal and Torres Strait Islander Culture. The **theme for 2017 NAIDOC was “Our Languages Matter”** and Laverton recognised this theme throughout the week through a Welcome Song in Language, performed by the local children at the NAIDOC Opening Ceremony and through the opening speech by Aboriginal Elder, Mrs Doreen Harris who spoke of the link between language and culture and the importance of teaching children their local tongue so it can continue to be passed down from generation to generation and not be lost.

This years activities hosted by the Shire of Laverton included the Community Opening Ceremony, Auskick and Netball Community Games an Elders Dinner, Cultural Day Out Bush and a **Superhero’s Costume Parade for the young children. Other activities included a Women’s Cook-Up** hosted by One Tree and a closing Ceremony hosted by the Laverton, Leonora Cross Cultural Association.

The Shire of Laverton Community Resource Centre would like to thank the Department of Prime Minister and Cabinet, Local Drug Action Group and the Laverton Leonora Cross Cultural Association for their support funding as without this the week activities would not have been possible. We would also like to thank the Great Beyond Visitor Centre, Laverton Youth Services and Laverton Sports Club, the Curtin Volunteers, Sue Finney from Lynas Corporation, Meedac , St **John’s Ambulance and the other many volunteers who donated their time to the week** celebrations.

Roman Rudnytsky

CONCERT PIANIST

Roman Rudnytsky is an American concert pianist of Ukrainian background whose performances take him all over the world. A graduate of the famous Juilliard School in New York, he has as of 2017 played in about 100 countries.

Born in New York into a family of professional musicians, Roman Rudnytsky started the study of piano at age four and gave his first recital at age seven. He is prizewinner of ten national and international piano competitions, including 2nd Prize in the International Leventritt Competition in New York - at that time, the most prestigious international competition for piano and violin in the USA. He has been soloist with many orchestras around the world, playing with them over 45 different works for piano and orchestra. He has also played many concerts in over 35 countries since 1984 through the auspices of US Embassies and has also played recitals on 65 cruises of P&O and Cunard ships to and from the UK. His most recent performances (early 2017) were in the UK, the island of Saipan, Alaska, and elsewhere in the USA.

Roman Rudnytsky has come to Australia for concert tours every two years since 1979 and has played about 600 concerts there in that time - more than in any other country he has traveled to. These have ranged from the Sydney Opera House to many small country and Outback towns in every State and in the NT - for many local arts councils, at many regional performing arts centers, at universities, and as soloist with several orchestras.

Mr. Rudnytsky gave the Australian premiere performance in 1993 of the then-recently-discovered Liszt Concerto No.3 in E Flat for piano and orchestra as soloist with the SBS Youth Orchestra in the Sydney Town Hall. The SBS broadcast this concert through its TV network as part of its documentary on this concerto, called "Discovering Liszt". He also served twice as Artist-in-Residence at the Univ. of Melbourne Faculty of Music and once at the Univ. of Wollongong School of Creative Arts.

Roman Rudnytsky is also currently "Professor Emeritus" of the Dana School of Music of Youngstown (Ohio) State University, where he served on the piano and music faculty for 39 years.

Following this year's Australian tour, Mr. Rudnytsky will be playing recitals between early October and early December on five cruises of Cunard ships (all three of them: the Queen Mary 2, Queen Elizabeth, and Queen Victoria) and, in late December, will be performing on the island of Guam.

Roman Rudnytsky CD's will be available for purchase at the recital.

LAVERTON POLICE STATION

e-Newsletter | June 2017

From the new kid on the block Constable Luke Motson

G'day and welcome to another issue of the Sturt Pea. Today's article comes from the Constables of Laverton Police Station.

I've had the chance to meet most of you, but for those of you who I'm yet to meet here's a little about myself.

I moved to Australia in November 2008 with my family from where else, but the U.K. I know another one! Having spent most of my younger years in the cold, rain and snow it was a relief to move to somewhere where the sun actually shines and the temperature gets above 10 degrees.

Being the newest member of the team, I moved to Laverton just over 7 months ago from the seaside town of Cottesloe, in Perth's Western suburbs. Having worked in the city for most of my career with the Western Australia Police the decision finally came to expand my horizons and move bush. But where to go? Having seen Laverton advertised much earlier in my career the seed was already planted, so when a vacancy came up I just had to give it a shot.

It certainly hasn't disappointed.

Since moving to Laverton I've been fortunate enough to work in some of the smaller communities around the Goldfields having recently returned from a total of four months working in Warburton community travelling all over the Ngaanyatjarra Lands.

The newest edition to the zoo, Dolly.

Only three weeks after moving to LA I adopted my first pet, a deaf tabby called Maui. But Maui was lonely so of course she had to have a friend! Three weeks later Tigger, a ginger tom cat showed up and instantly settled in. But I couldn't stop there. Shortly after, First Class Constable Chelsea Armstrong and I rescued a Kelpie mix dog, who'd been living in the old post office for quite some time. As my reminder of Laverton in years to come she was named Lala. Of course Lala needed a friend or friends.... After returning from Warburton I've managed to collect another two puppies, Winnie (another Kelpie Cross) and Dolly, a Blue Heeler. No more animals I promise.

The zoo..... Left: Winnie, centre: Lala,
back centre: Tigger and Right: Maul..

Laverton has provided me with some fantastic and unique opportunities which no doubt will stay with me for the rest of my life.

Back to what's happening in town. The last month or so

there has been a noticeable increase in the number of visitors in town. Most people have arrived for funerals in town and nearby, whilst we continue to have a steady influx of tourists passing through.

Amongst the hustle and bustle of previous weeks a number of issues have been drawn to our attention. Firstly the number of alcohol related incidents is again starting to rise, whilst Laverton Police continue to work hard to try and prevent these incidents occurring, it takes the help of everyone in the community to help us manage the issue.

If you see something, say something. Whilst we regularly conduct patrols of town throughout the day and night, unfortunately we can only be in once place at a time, this is why the community is such a valuable resource and it's so important to let us know if something just doesn't seem right.

Another issue that has flared up the past weeks is rock throwing. A number of community members have brought it to our attention that a group of youths in town are throwing rocks and damaging property. This is not acceptable. Laverton Police are working with the community to identify these individuals and reduce further offences.

Most of you are aware that Senior Sergeant Heath SOUTAR has recently left for the greener surroundings of Collie and a new boss is on the way to take over the reins. On behalf of Laverton Police Station I would like to welcome the new officer in charge Senior Sergeant Justin Tarasinski who is in the process of moving to LA at the moment and should be with us shortly.

Author- Constable Luke Motson.

Baiting / 1080 Poison

About 1080

1080 are a Poison / Pesticide that is commonly used in parts of Western Australia and New Zealand. It contains an active ingredient called '**Sodium Fluoroacetate**', which is a colourless, tasteless and odourless substance found in many native plants around Australia.

While 1080 is a naturally occurring substance, breaks down easily and leaves no trace in the environment, it is also a Schedule 7 Poison and there is no antidote for it. 1080 is used to target and get rid of pests in the wild such as possums, rats, rabbits, dingoes and foxes, it is usually put into meats, sausages, carrots and other foods that are appealing to its target animal. Many native animals have developed a high tolerance to 1080 but dogs and cats are highly susceptible to it, and also have a high chance of secondary poisoning if they ingest a carcass that has traces of 1080 inside it. As there is no antidote to this pesticide most animals become a fatality unless they are able to get medical attention before symptoms kick in if not immediately.

In Western Australia, supply of 1080 as well as the use is strictly allocated to authorised persons and is usually dropped by helicopter over land. No baits are to be laid within 5 m of a fenced property, 50 m of the centre line of a declared road, No baits are to be laid within 20 m of permanent or flowing water. although, 1080 is soluble in water and dilutes quickly, leaving little if no trace after 72 hours.

Pet Corner

By Jezaire Kelly

Symptoms

Signs of 1080 poisoning may include the following:

- Howling / Barking at nothing
- Vomiting
- Convulsions and shaking
- Sensitive to sound and light
- Anxiety and Nervousness / Paranoia
- Aggressive behaviour

Ingestion of 1080 poison is life threatening and most dogs end up passing away because of the severity of it. It can take about 30 minutes - 2 hours for 1080 to work, and for symptoms to occur. During this time the poison will have already started to affect the body, so getting your pet to the vet as soon as possible is really important. If you are sure that your dog has ingested 1080, make it vomit immediately by placing 1-2 crystals of washing soda down its throat, or half a teaspoon of salt thrown on the back of the dogs tongue, while this is not an antidote, it can help with recovery if seen by a vet shortly after.

Preventions

Always look out for 1080 signs when you are taking your dog for a walk, and walk in the opposite direction. Even though 1080 is not supposed to be in public areas, it could have been moved due to rainfall, birds, or infected carcasses may be around. It may have even been moved by accident.

You can also put a muzzle on your dog when you are taking it out of the house to prevent it from ingesting anything suspicious.

1080 is often in a green pellet (pictured to the left) so if you come in contact with them in an area it shouldn't be, please called the shire and let them know immediately.

Always watch your dog, especially when walking out around the bush areas., and always keep them in a secure area when you are away from home so they are not able to escape.

Beauty Spot

By Aabiyah Tuhakaraina

Hello and welcome to Beauty Spot - Issue 3

In this issue of beauty spot I will be talking all about EYEBROWS. They frame your face, they introduce you before you even speak they are SO important. Don't underestimate the power of your brows. Lets talk about tips and tricks, eyebrow shapes to suit your face and which products will work for you.

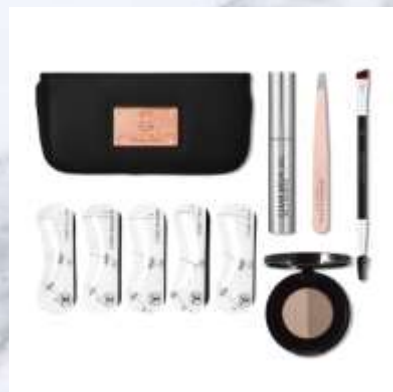

Top 5 Tips & Tricks For Eyebrows

1. LEAVE THEM ALONE - Brow specialists recommend letting your eyebrows grow out for as long as possible (6-8 weeks ideally) in order for them to reach their full potential which will allow you to see the natural shape of your brow.
2. SNIP, SNIP - Trimming your brows will give you a tidy and put together look whilst keeping the fullness of your eyebrows in tact. To achieve this you should brush hair up with spoolie and one hair at a time trim only the very long hairs .
3. CALM DOWN - To prep for plucking, gently massage a generous amount of your favourite facial oil on to the brow bone. This will lubricate your skin and hair follicle, prevent hair from breaking, and take the edge off the skin's sensitivity from tweezing.
4. CLEAN IT UP - For unfussy eyebrows, skip the hot wax and pick up a set of tweezers To get the most painless pluck, "tweeze hairs in direction of hair growth while holding the skin taut. Always use natural day light and do not use a magnifying mirror. It is important to remember that LESS IS MORE when it comes to brows so you don't want to over do it. Start by plucking the stray hairs underneath the start of your brow and do the same with strays beneath your arch and beyond the end of the tail. To get the best idea on how to shape your eyebrows you can use the chart on the next page to find out which eyebrow shape will best compliment your face.
5. FAKE A FULLER FINISH - If you have some sparse areas, you can fake a bolder and thicker brow by using a brow pencil or powder to feather in some "hairs" in a shade that matches your natural brow colour on those areas and then combing through with a clear brow gel.

A great kit with everything you need, that I personally use and love is the Anastasia Beverly Hills - Brow Kit. You can purchase it from the website below ↓

Make Seedling Pots from Eggshells

Throwing eggshells in the bin is what normally happens once you have cooked your eggs. But did you know eggshells make the perfect seedling pot. Unlike plastic seed pots which will end up in landfill, eggshells will self compost and provide the soil and plant with a good calcium. Plus its free which means you will save some \$\$\$.

If your wanting to learn more about this, just read through the following steps!

Step 1

In the bottom of the egg prick a drainage hole with a thumbtack or metal skewer. You want the hole big enough so it wont get clogged by the soil and roots, and so water can drain out of the soil easily.

Step 2

With a small knife gently remove around 1/3 of the eggshell. To make it easier you can just lightly crack the top of the egg and just pick away at the eggshell.

Step 3

Remove the egg yolk.

Step 4

Gently clean out the eggshell with some water. Once the shells have been gently cleaned out soak the shells in a pot for a couple minuets with hot or boiling water in order to kill all bacteria. Lay eggshells on paper towel and let them dry.

Step 6

Place the clean eggshells back into the egg carton.

Using a spoon fill up the egg shells 3/4 of the way with potting mix.

Place the seed your intending to grow in the potting mix and then place a thin layer of potting mix on top.

Step 7

Place the seedlings on a window sill or somewhere where the seedlings can get sunlight.

Water the seedlings regularly to keep the soil moist but not soaking wet.

If you have different seeds in each pot it is worth marking each shell with a non-toxic pen so you **don't forget which plant is in each pot.**

Step 8

Watch the seeds slowly sprout.

Step 9

Once the seedlings have fully sprouted it is time to transfer them to your garden. Simply dig a little hole, holding one of the seed pots, gently crush **the shell just enough so the seedling's roots can** escape and find the fresh soil, place the seedling in the hole, and cover with soil.

Japanese Ramen Noodle Soup

INGREDIENTS

For the stock:

- 3 cups of chicken stock
- 2 cups water
- 3 garlic cloves
- 4 tbsp. soy sauce
- 1 tsp worsterchire sauce
- 1/2 tsp Chinese five spice
- dash of chilli powder
- 1 tsp white sugar
- 2 slices of ginger

For the topping:

- 375g ramen noodles
- 400g sliced cooked pork or chicken breast (marinate in soy sauce and garlic)
- 100g baby English spinach leaves
- 4tbsp corn kernels
- 2 hard-boiled eggs, peeled and halved
- For the garnish:
 - 1 sheet of sliced nori seaweed paper (5cm by 1/2cm each)
 - sprinkle of sesame seeds
 - sliced green spring onions (shallots)

METHOD

1. Slice and fry the pork or chicken in a frypan with 1 clove of chopped garlic, soy sauce and sesame oil. Put into a bowl and reserve.
2. In the pot of boiling water, cook the ramen noodles for 5min then strain.
3. In a stockpot or large saucepan, place the chicken stock, 4 pieces of halved garlic cloves, soy sauce, worsterchire, ginger, five spice and chilli powder together and bring to boil. Reduce to simmer for 5 min. Taste the stock and adjust to your liking. If it is too salty add some sugar, add more soy if you prefer it saltier.
4. Divide the noodles into 4 soup bowls. Arrange the pork on top of the noodles, along with the spinach, half egg, and 1tbsp corn kernels each.
5. Bring the stock to boil once again, then take it off and divide the stock in the soup bowls.
6. Sprinkle the nori shavings (1/4 sheet each), spring onions and sesame on top of each soup bowl. Allow the spinach to slightly wilt before serving.
