NOW OPEN
NOMINATIONS ARE NOW
BEING ACCEPTED FOR THE
2022 SHEILA LAVER AWARD

The Sheila Laver Award is a prestigious award recognizing people with leadership qualities who have made significant efforts in improving the quality of life for Laverton residents.

The Award is named in honour of Miss Sheila Laver, granddaughter of Dr Charles Laver and a pioneer of the Laverton district. Miss Laver was a former resident and strong supporter of Laverton. The inaugural Award was presented to Miss Laver in 1989 in recognition of her services to the community.

Nominations must be submitted on the official Nomination Forms which are available from the Shire Administration Office, the Great Beyond Visitor Centre and the Community Resource Centre.

Nominees are expected to be people who have voluntarily:

- Made a significant contribution to the community;
- Inspiring qualities as a role model;
- Demonstrated leadership on a community issue resulting the enhancement of community life;
- Made a significant initiative which has brought about positive change and added value to community life.

The closing date for acceptance of nominations is **Wednesday 19 October 2022 at 4:00pm** and the announcement of the recipient and presentation of the Award will be made in October 2022 as a part of the Laverton Race Day activities.

GUIDELINES

As of 2014, a new Community Service Excellence Award was created that is presented on Australia Day. A comparison of the two awards is presented in the following way;

Assessment Criteria	Sheila Laver Award	Community Service Excellence Award
Significant contribution to the community	✓	✓
Inspiring qualities as a role model	✓	
Demonstrated leadership on a community issue resulting in enhancement of community life	✓	
Significant initiative which has brought about positive change and added value to community life	✓	

In considering the nominations for the Sheila Laver Award, Council shall take into account:

- Whether the nominee has made a significant contribution to the community.
- Whether the nominee has inspiring qualities as a role model for the community.
- Whether the nominee has demonstrated leadership on a community issue resulting in the enhancement of community life.
- Whether the nominee has significant initiative which has brought about positive change and added value to community life.

The following provisos will also be taken into account:

- Awards will not be made posthumously.
- Nominees should reside within the Shire of Laverton.
- As from April 2014, groups of people (2 or more people) will not be eligible.
- A person cannot receive the award twice.
- Unsuccessful nominees may be nominated in future years.
- Joint winners may be considered in special circumstances.
- Council may determine not to make an award in a particular year.

WA Country Health Service

Laverton Community Trachoma Program Report - 2022

WA Country Health Service - Goldfields

Trachoma is a contagious eye infection caused by the bacterium *Chlamydia trachomatis*. Repeated infections in childhood can lead to scarring and changes in the eyelid, which in turn can result in blindness. When found early, trachoma can be easily treated with a single dose of the antibiotic azithromycin. Given that Australia is the only developed country with trachoma, eliminating blinding trachoma nationwide is a public health priority.

The aim of the WACHS-Goldfields Population Health Trachoma Program is to eliminate blinding trachoma. The Goldfields program is part of a larger state-wide trachoma control program that follows the CDNA Guidelines for the Public Health Management of Trachoma in Australia and is overseen by the WA Trachoma Reference Group.

2022 ACTIVITIES

Community Consultation

Earlier in the year, WACHS-Goldfields Population Health discussed the trachoma program with the Laverton District High School and Community Health Service. It was determined that health promotion activities and trachoma screening could take place.

Health Promotion

During health promotion, the importance of Blow, Breathe, Cough and Milpa's Six Steps including facial cleanliness, daily showering and not sharing towels was discussed with the children. Sessions implemented interactive hands-on activities in the younger age groups. Individual hygiene packs were provided for students.

Trachoma Screening

Trachoma screening was held at Laverton District High School on 24 August 2022. All children in the Laverton community from 5-9 years who were present in the community were offered screening. WACHS-Goldfields Population Health is only required to report on Aboriginal children aged 5-9 years, and the 5-9 years age group is used to determine the treatment strategies required.

Facial Cleanliness Screening

We also checked for clean faces during the trachoma screening. A clean face is important to clear trachoma and stop the spread.

2022 RESULTS

Trachoma Screening

A total of 12 children were screened in the 5-9 years old age group. 92% of children aged 5-9 years were screened. Table 1 shows the number of children screened for trachoma and the number of trachoma cases found in the Laverton community over the past four years.

Table 1: Children screened, and trachoma cases found in the Laverton community from 2019-2022

	August 2019 5-9 years old	August 2020 5-9 years old	August 2021 5-9 years old	August 2022 5-9 years old
Number of Children Screened	21 screened	20 screened	18 screened	12 screened
Number of Children with Trachoma	0 positive  	1 positive 	1 positive 	0 positive 
Prevalence of Trachoma	0%	5%	6%	0%

Facial Cleanliness Screening

Of the 12 children aged 5-9 years old who were screened, 6 had a clean face (50%). Table 2 shows the number and percentage of children in the Laverton community with a clean face from 2019-2022.

Table 2: Facial cleanliness in children in the Laverton community from 2019 - 2022

	August 2019 5-9 years old	August 2020 5-9 years old	August 2021 5-9 years old	August 2022 5-9 years old
Children with a Clean Face	17 (out of 22) 77% 	17 (out of 20) 85% 	11 (out of 18) 61% 	6 (out of 12) 50% 

Future Directions

Due to ongoing transmission of trachoma in the Goldfields region, WACHS-Goldfields Population Health will discuss future screening and trachoma prevention activities with the Laverton community and services in 2023.

Thank you to the Laverton community, Laverton District High School and the Laverton Community Health Centre for their ongoing support of this national program. We look forward to continuing this partnership. Please feel free to contact us if there are any concerns or questions.

At the end of August, five teenage boys from the Laver ton School took part in an extension of the monthly bike program run by the Cycling Development Foundation. The boys, namely Meschach, Xavier, Zainen, Tremaine, and Marcellus, travelled to Perth with Bunz and Loz from the youth centre for four full days of learning, bike riding and even taking part in a bike race on gravel roads.

This pilot program – as part of the Laver ton Cycling Project - provided an opportunity for the boys to learn about life-goal settings, financial advice for young aboriginal youths, nutrition for athletes and while living in remote areas, and recognising opportunities in life in general.

In addition, the boys took part in a high-performance training session and raced an individual off-road time trial in Jarrahdale. We are stoked to say that these boys were not only the first ever aboriginal boys to race in an official bike race here in WA as far as we are aware, but they also showed some incredible perseverance to finish the race well. Every one of them made it into the final standings, and we could not have been prouder of these boys.

The project was aiming to provide a full weekend of learning opportunities that are an important step in the journey of becoming role models to other youths in their community. We are committed to try and provide support to these teenagers to be able to make life-choices to their advantage and that are healthy, prosperous and enable them to grow.

The Cycling Development Foundation is now aiming to expand on this success to repeat development weekends of this kind more frequently and with a wide range of youths.

Laver ton Sergeant Jason Jenkins

“ It is with a heavily heart I say goodbye to this amazing community which I proudly call home. After a little over two-and-a-half years it is time to move on and further my personal and professional development.

I can honestly say this has been some of the most challenging and also the most rewarding experiences in my 23-year career.

I came out here with a clear intention to build positive relationships, to make a significant contribution and to leave a legacy. What came soon after my arrival, nobody could have ever imagined.

Not only as a station but as a community we had to band together to overcome what has been the most difficult and uncertain times in recent global history as we lived through the Covid-19 pandemic. Everyday saw uncertainty as the pandemic unfolded before our eyes. Rules, restrictions and health advice changed constantly as government and health officials guided us through new information and research, which taught us how to manage and keep all Australian's safe.

Working with our local stakeholders through this enabled me to truly see the amazing dedication and commitment put in by so many. And yes, you may say, 'well it's your job to service the community', however, I unequivocally saw for many, it went well above and beyond their call of duty.

Goodbye Sergeant Jenkins

LAVERTON POLICE STATION

“ It was great to see as we progressed through the pandemic that a number of local community members showed courage and leadership by standing up and assisting in promoting the Covid-19 vaccination rollout. From there I was privileged to be a part of and overheard many conversations of those encouraging others to get vaccinated, all showing genuine care for each other. I was quite humbled to witness a community show so much courage, strength and compassion for one another. Together, as a community, we got through these difficult times and it just goes to show, no matter what gets thrown at us, we will get through it.

Despite the challenges that the Covid-19 restrictions placed upon us, I personally was able to build so many positive relationships. I was privileged to work with so many people enabling me to engage and influence the lives of many of our young community members through various programs, the most significant one of course being Nightfields. The youth in our community really are exceptional, I'm proud to see so many incredible achievements in the field of sports, arts and music. There are so many opportunities for them here in Laverton and I encourage parents and guardians to support kids getting to school and going to the various youth programs.

There are far too many people for me to recognise and thank in this article but you know who you are. Without these amazing people, without so many of the amazing organisations whom support us, there is no way I could have achieved what I did. So, personally from me, thank you.

I do however want to take this opportunity to mention in particular, two incredible people whom I truly admire. These individuals really inspired me to push myself further so I could achieve what I did here in Laverton. They shared their knowledge, wisdom and were so supportive of me and my vision. It has been an absolute privilege to have met and learn from the late Mr Smith and Janice Scott. From the bottom of my heart I have so much gratitude and appreciation for what you did for me, for what you do for the Laverton Police and of course for the Laverton community.

The Laverton community spirit is incredibly strong and I'm extremely grateful I made the decision to have spent the last few years here being able to meet every single one of you. You'll all be missed. If you ever happen to pass through Derby please be sure to come visit me at the Police Station. I wish you well.”

It takes all types of people to keep our state strong. As a not-for-profit organisation, we rely on volunteers to help out with ambulance shifts to keep this vital service running. To us, our volunteers are nothing short of living legends, and we're looking for more of them. To volunteer, search **St John Volunteer** or call St John Laverton on 9026 2000 or email laverton@stjohnwa.com.au.
