The following information is provided for nominations and each month in the Sturt Pea and other media outlets, further and relevant information will be put forward for anyone interested in nominating for the council.

Of importance is that all people considering nominating, are required to undertake mandatory online training as outlined below.

The current link status is as follows.

The induction is being updated in response to the reforms to the Local Government Act 1995. The new induction for prospective candidates will be available 30 June 2023.

## Mandatory induction prior to nomination

You must complete an online induction course before you submit your nomination. The course provides information on the role and responsibilities of being a council member, and the rules related to election campaigns. When you register your completion of the course, you will receive a confirmation email with a reference number and date of completion. You must include the reference number and completion date on your nomination form. The department strongly recommends that you show a digital or print copy of the confirmation email to the returning officer when you submit your nomination.

## Are you eligible to nominate for council?

To stand for election as a councillor, or a mayor or president elected by the people of a local government district, you must:

- be 18 years of age or older;
- be an elector of the district (if you are only an elector because you are a nominee of a body corporate then you are not eligible to stand for council);
- (if a current council member) have a term that ends on election day, unless you are standing for mayor or president directly elected by the public;
- Have completed the [mandatory induction course](#) available on the DLGSC website.

You are not eligible to nominate for council if you:

- are a member of State or Federal Parliament;
- are an insolvent under administration;
- are serving a prison sentence for a crime;
- have been convicted of a serious local government offence within the last five years, (unless the court has waived the disqualification);
- have been convicted on indictment of an offence for which the penalty was or included imprisonment for life, or imprisonment for more than five years;
- are a member of another council;
- are subject to a court order disqualifying you from being a council member because you have misapplied local government funds or property;
- are on the local electoral roll as the nominee of a body corporate;
- propose standing for two positions on council (unless you are standing for mayor or president as well as councillor); or
- are currently disqualified by the State Administrative Tribunal from holding office as a member of a council.

If you have any questions on the election itself, or nominating as a councillor, please do not hesitate to ask.

Regards      Phil Marshall

## IN CELEBRATION OF OUR ELDERS

Across every generation, our elders have played, and continue to play, an important role in our communities and families. They hold a prominent place in our lives. They are cultural knowledge holders, trailblazers, nurturers, advocates, teachers, survivors, leaders, hard workers and our loved ones.

Each one of us has special memories of elders in our lives, and our staff want to help the Laverton Community share these stories. Join us as we create a video clip that celebrates all the things we love and respect about our elders.
