The following information is provided for nominations and each month in the Sturt Pea and other media outlets, further and relevant information will be put forward for anyone interested in nominating for the council.

Of importance is that all people considering nominating, are required to undertake mandatory online training as outlined below.

The current link status is as follows.

The induction is being updated in response to the reforms to the Local Government Act 1995. The new induction for prospective candidates will be available 30 June 2023. I have had no advice on this aspect at the time of writing the information for the Sturt Pea.

Mandatory induction prior to nomination

You must complete an online induction course before you submit your nomination. The course provides information on the role and responsibilities of being a council member, and the rules related to election campaigns. When you register your completion of the course, you will receive a confirmation email with a reference number and date of completion. You must include the reference number and completion date on your nomination form. The department strongly recommends that you show a digital or print copy of the confirmation email to the returning officer when you submit your nomination.

Are you eligible to nominate for council?

To stand for election as a councillor, or a mayor or president elected by the people of a local government district, you must:

- be 18 years of age or older;
- be an elector of the district (if you are only an elector because you are a nominee of a body corporate then you are not eligible to stand for council);
- (if a current council member) have a term that ends on election day, unless you are standing for mayor or president directly elected by the public;
- Have completed the mandatory induction course available on the DLGSC website.

You are not eligible to nominate for council if you:

- are a member of State or Federal Parliament;
- are an insolvent under administration;
- are serving a prison sentence for a crime;
- have been convicted of a serious local government offence within the last five years, (unless the court has waived the disqualification);
- have been convicted on indictment of an offence for which the penalty was or included imprisonment for life, or imprisonment for more than five years;
- are a member of another council;
- are subject to a court order disqualifying you from being a council member because you have misapplied local government funds or property;
- are on the local electoral roll as the nominee of a body corporate;
- propose standing for two positions on council (unless you are standing for mayor or president as well as councillor); or
- are currently disqualified by the State Administrative Tribunal from holding office as a member of a council.

If you have any questions on the election itself, or nominating as a councillor, please do not hesitate to ask.

Regards Phil Marshall

NATIONAL VOLUNTEER WEEK

On behalf of St John Ambulance, we wish to thank the Shire of Laverton for their 'Thank a Volunteer BBQ' event this year. It was a fantastic event with many of Laverton's wonderful volunteers in attendance.

We wish to thank all the volunteers from DFES, LDAG, Laverton Men's Shed, Laverton P&C, Laverton Sports Club, Laverton Race Club, Laverton School, Laverton Police, Shire of Laverton, and St John WA. You are all amazing! You help keep Laverton strong. We acknowledge and appreciate the contribution of local volunteers who contribute so much to our community.

Volunteers step outside of their "everyday normal" and dedicate their time between their work and family commitments to keep our local organisations running which makes our town such a fantastic community.
