## NAIDOC WEEK 2024 RECAP!

Reminiscing on our 2024 NAIDOC week events last week! The Laverton CRC wants to thank every organisation + the NAIDOC committee for such a fun filled jam packed week of events for our town!

Our NAIDOC Foody Markets had 11 stalls! This was one of our biggest market days in a while, selling all types of treats food & goodies. Thank you to everyone who travelled far and wide to have a stall at our market day! We are always so grateful to be able to support small business & stall holders in and around our community with our markets!

We also want to give a big shout out to all of our lovely elders for braving the cold and having a lovely meal with us for our Elders NAIDOC dinner at the Great Beyond, this seen the most delicious meal cooked by Nikki from the Youth centre, & of course the most outstanding assistance, always from our Shooting Stars team & NAIDOC volunteers. We can't forget the best served coffee & tea from the lovely great beyond team!

One big thank you to Pakana aboriginal corporation for being the back bone of NAIDOC and for making sure our elders got to and from the events safely. We are so grateful for the beautiful community that is Laverton and how we all come together during these events

## LOCAL TALENT ON THE RISE

“She’s just getting started”

2022 Gold Road netball singlet

Laverton site Program Coordinator Holla comments “Since my time here at Laverton School, I’ve watched Jenae grow in her art skills from paper to now digital. When she showed me her first digital artwork for Gold Road Netball singlet in 2022 I just knew from then on I had to push her talent out of the Goldfields region. This has definitely helped Jenae to take on new challenges out of her comfort zone and now over the years of learning new skills Jenae is more confident in her talent. I am proud that she uses up a lot of her own personal time as a young girl just to share her artwork with us, it just shows how committed she is towards her artwork. I hope Jenae journey inspires our local Girls and Woman’s in the community with talent to express themselves and to put it out there, you just never know what could happen”.

As Jenae continues to express her talent and push the boundaries of her creativity, Jenae is keen to take her digital artistry to the next level.

Keep an eye on this shining star  
she’s just getting started!

2024 NAIDOC Netball WA

Meet Jenae Evans, our vibrant local young artist who’s name is now spreading out of the Goldfields region to regions around the state. Known for her unique talent and creativity, Jenae has embraced every challenge that has come her way.

With a growing reputation for her exceptional skills and artistic vision, Jenae has already made quite an impression. Her talent has been recognised in numerous art design competitions from different organisations and by word of mouth. These recognition has allowed Jenae to identify more into her talent in digital art and showcase them.

# What's been happening at, **The Great Beyond**

## Keeping the fire burning this July!

What an eventful month we have had!

To kick off the NAIDOC celebrations, we organized a pop-up shop on site at Murrin Murrin Operations. But we didn't stop there! We continued the pop-up shops by setting up a stall at the NAIDOC football carnival.

Our locally crafted products were a hit at these events! We still have some fresh stock available from our talented artists, including The Great Beyonds very own Berry Jam and Lemon Butter, Brianna's Laverton Souvenirs, Handmade In Laverton Jewelry, and the very popular Bush Medicine. Be sure to check out what we have in stock before it runs out.

On the topic of running out, it is with great sadness that we inform you that the current stock of the highly popular Sandalwood Shop is the final supply available for the foreseeable future.

To hear about all our specials, new stock and events happening in August, follow us on Facebook.
