July was a busy month at the CRC with NAIDOC celebrations taking place including designing a float to enter in the Kalgoorlie NAIDOC Parade and a Laverton Community Day. Photos of the celebrations and details can be viewed on pages 6 to 9.

The Laverton CRC is proud to be supporting and working in partnership with the new Pre-natal and Early Childhood program which was launched on Tuesday 23 July. The program is an initiative of Pakaanu organisation and will be held at Laverton School every Tuesday morning of the school term from 10:00am-12:00pm. All parents, carers and pre-school aged children are welcome.

In August we have Book Week and will be celebrating through our Early Literacy Story and Rhyme Time program which will be held on Wednesday 21 August at 10:30am. The theme for this year is 'Reading is my Secret Power' and the CRC Team are busy preparing a 'super hero' themed backdrop to display the themed craft the children have commenced making. It is going to be a morning full of fun with a Super Gem Quest for the children to complete. We look forward to having lots of Children and Parents join us on the morning.

Have a Lovely Month!

## NAIDOC 2019

Laverton celebrated NAIDOC Week 2019 by performing and entering a float in the Kalgoorlie NAIDOC Parade on Monday 8 July and through a Community Day in Laverton on Thursday 11 July.

Laverton was represented in the Kalgoorlie parade through a float which was designed by the 2019 Laverton NAIDOC Committee and alongside the float community members walked in the parade and performed a cultural dance with traditional artifacts which had been made in Laverton. The parade itself was attended by more than 500 people marching to show pride in culture along with many floats by local organisations, businesses and services. The commenced at the top of Hannan Street and finished at Kingsbury Park where the crowd was entertained with traditional dance, awards ceremony and a community BBQ was enjoyed. Thankyou to everyone who assisted towards or participated in the parade and creation of the float.

The Community Day commenced with a community morning trip out bush where kangaroo tails were smoked, billy tea and damper was made and a light lunch was provided. The morning was enjoyed by local elders, children and community members along with some visiting services and local mine representatives. Following the bush morning was jumping castles and activities for the youth on the oval in the early afternoon followed by a youth football game which was organised by the Laverton Police. Awards were handed out and a community dinner was enjoyed by all.

Thankyou to the following financial sponsors Shire of Laverton, Murrin Murrin Operations, Goldfields, LLCCA, Anglo Gold Ashanti, Lynas and the Laverton Community Resource Centre. Thanks also to the following supporters Centrecare, Laverton Police, Laverton Youth Services, Curtin Volunteers, Meedac, One Tree and the Laverton Police.

Finally Thankyou to everyone who came along and supported the celebration.

## **Pensioner Free Travel - FAQs**

**1 I have a Pensioner Concession Card from Department of Human Services (DHS) / Department of Veteran Affairs (DVA). What am I entitled to?**

Once registered and your concession has been validated, you may take one free return or two free single trips on Transwa services each calendar year (from 2020).

**2 I have a Gold Health Card from Department of Veteran Affairs (DVA). What am I entitled to?**

Once registered and your concession has been validated, you may take two free return or four free single trips on Transwa services each calendar year (from 2020).

**3 How do I register for Pensioner Free Travel and get my concession validated?**

Complete the [online registration form](#) and attach images of both sides of your concession card(s). Alternatively download and print the [registration form \(PDF\)](#), complete and send to Transwa with photocopies of both sides of your card.

**4 What do I do if I have a digital wallet instead of a concession card?**

A digital wallet allows you to have your concession or health card with you everywhere you take your smart device. Transwa accept either the physical card or your digital wallet as evidence of your valid concession. When registering we ask for a photocopy or scan of your card. You can also screenshot your digital wallet and send us the image with your online registration form.

**5 Why do I need to give Transwa consent to access my concession records held by Centrelink**

We need your consent to enable the Australian Government Department of Human Services (Centrelink) to confirm the concession details you provide to the Public Transport Authority of WA (Transwa) when you register with us. The consent you give remains valid with Transwa unless you withdraw your consent by contacting us.

**6 How do I book my pensioner free travel?**

There are a number of ways to book your Pensioner Free Travel with Transwa once you have registered. Have your concession card/digital wallet handy and:

- Call us on [1300 662 205](tel:1300662205)

- Book [online](#) (available from late 2019)

**7 What do I do if my travel plans change?**

We know plans often change. To cancel or re-schedule your trip, call us on 1300 662 205 prior to the scheduled departure of the first leg of your journey and we will re-book or arrange for your Pensioner Free Travel entitlement to be reinstated.

**8 Can I still use my WA Free Trip Vouchers from Centrelink or DVA if I have not registered with Transwa?**

### Pensioner Free Travel - FAQs

From 2020 you must be registered with Transwa to receive Pensioner Free Travel on Transwa services. Transwa will calculate your travel entitlement each calendar year and you will not need to provide a paper voucher.

9 **Can I still receive a concession fare after I have used my free travel entitlements?**

In addition to Pensioner Free Travel, WA Pensioner Concession cardholders and WA Gold Health cardholders can claim a 50% concession on all Transwa services.

10 **Am I entitled to other travel entitlements if I live in the north of Western Australia?**

If you live north of the 26th parallel in Western Australia and hold a Pensioner Concession Card or DVA Gold Health Card you may be entitled to other free travel options. Visit the [Department of Transport](#) for more details.

11 **Do I need travel insurance?**

Travel involves many risks and our liability to you may be limited in certain circumstances. We strongly suggest that you protect yourself by purchasing comprehensive travel insurance cover for (without limitation) loss of booking due to delays or cancellations, damage or loss to personal baggage and other items, personal liability, death, personal injury and medical costs. We do not sell or endorse any specific travel insurance products.

**HON ROBIN SCOTT MLC  
OF KALGOORLIE-BOULDER  
Member for Mining and Pastoral**

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Immensely proud of his trade, Robin has worked for more than 30 years as an electrical contractor to the WA mining industry, especially in the Goldfields. Flying himself and his staff to electrical contracting assignments, Robin logged

4,000 hours in his Rockwell Commander, the aircraft he now uses to service his constituents in the vast Mining and Pastoral Region.

Robin is an enthusiastic campaigner for job opportunities through creating more apprenticeships for young men and young women. The Federal Government has partially embraced the Pauline Hanson's One Nation policy of subsidising apprentice wages 75% in the first year, 50% in the second year and 25% in the third year.

Robin Scott moved the Disallowance Motion which defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote mining and led the defence against water charges for prospectors and small miners.

Robin's priorities for 2019 include:

- Water pipeline south from the Kimberley
- Sealing the Wiluna-Meekatharra Road
- Insist on rapid delivery of the promised MRI machine for Kalgoorlie
- Big upgrade for palliative care for the Goldfields
- Aged care facility for Leonora
- New hospital for Laverton
- Push the Federal Govt to abolish Fringe Benefits Tax for remote area workers
- More jobs through quicker approvals for mines

# INTERNATIONAL HOMELESS ANIMALS DAY

International Homeless Animals day is celebrated in over 50 countries and 6 continents on the 3rd Saturday in August each year. This year will be the 28th annual event - held on **Saturday 17th August 2019.**

International Homeless Animals Day (IHAD) is organised by the International Society for Animal Rights Organisation (ISAR).

Every year they celebrate international homeless animals day with a range of events such as adoptathons, microchip clinics, spay / neuter clinics etc, all to raise awareness and help to stop over population in Dogs and Cats.

Millions of animals every year are subjected to abuse, homelessness, sickness and euthanasia due to over population.

From 2017-2018 the Australian RSPCA received 132,657 animals, of those animals, 5,577 dogs and 12,610 cats were euthanised. - this was just in Australia alone.

## How we can celebrate:

- Raise awareness! Tell people about National Homeless Animal day, and the effects that homelessness and over population have on animals. The more people know about this, the more we can help to stop it!
- Spay/Neuter your animals - Not only will this help to reduce over population, but also lowers the risks of many health issues and behavioural issues.
- Microchip / Register your animal at your local council
- Adopt, dont shop! So many animals are euthanised because people decide to buy from breeders instead of shelters.

### 7 Facts About Animal Shelters

- 7 Million dogs and cats are euthanized every year because shelters are too full
- Homeless animals outnumber humans 5 to 1
- 90% of pets coming into shelters are not spayed or neutered
- Most strays are not kept indoors or provided with ID tags
- More than 25% of dogs are pure breeds
- Only 1 out of 10 dogs born will ever find a forever home
- Adopting from a shelter will save a life
