Executive Assistant to the Executive Staff

The Shire of Laverton invites applications from experienced persons for the position of Executive Assistant to the Shire Executive Staff (Chief Executive Officer, Deputy CEO and Executive Manager Technical Services).

The position is ideally suited to a person with previous experience in a similar role and a salary in a range of between \$60,000 and \$75,000 per annum will be negotiated dependent upon experience and qualifications.

A job information package including a position description and selection criteria are available by emailing dceo@laverton.wa.gov.au or telephoning the Shire on (08) 9031 1202 during business hours.

Conditions of employment are as per the Shire of Laverton Enterprise Bargaining Agreement 2017 Level 4.

The successful applicant will be required to undergo a pre-employment medical and provide a satisfactory Police Clearance prior to commencing duties.

Applications must include a letter of introduction demonstrating how the applicant meets the selection criteria and a current resume that includes the names and contact details of at least three professional work referees. **Please mark the application as CONFIDENTIAL and send to CEO, Shire of Laverton, PO Box 42, LAVERTON WA 6440 or by email to dceo@laverton.wa.gov.au**

Applications close at 4.00 pm on Monday 23rd March 2020.

Canvassing of Councillors or staff will automatically disqualify the applicant from the selection process.

Peter Naylor
Chief Executive Officer

45 minutes	\$5.00

Shire News

2020 Welcome

Well here we are and the 2020 year is well and truly upon us. I hope everybody had a great Xmas / New Year period and are looking forward to the new year with much enthusiasm.

Itinerant Campers

I understand there was much frustration and angst amongst the local community with the influx of itinerant campers in and around Laverton over the Xmas / New Year period.

Whilst I can acknowledge and understand the many comments I have received in regards to the campers' anti-social behavior (and other deplorable activities), there is a valid reason as to why action wasn't taken for a period to move the people on.

Due to planned visits by Hon Robin Scott MLC, Member for Mining & Pastoral Region, on Monday 16th December 2019, and Senator Jacqui Lambie on Tuesday 21st January 2020, it provided an opportunity to portray to the politicians the various problems the transient people cause whilst visiting Laverton and to help gain their support for future actions.

Whilst the period of disruption was at times far from comfortable and caused some grief for many of the local community I am of the opinion that we needed to follow that process to enable the politicians to witness first-hand and visualize the issues created and thus be in a position to support both the Shire and Pakaanu Aboriginal Corporation in applications to establish a transient camp on the outskirts of town and an Aboriginal Ranger Program for Laverton, which will help create a short term fix with longer term opportunities.

In addition to this information both the Police and an Aboriginal Elder were visiting the campers on a daily basis over the period to ascertain their plans and to try and get them to return to Warburton, but unfortunately without success.

Following the visit by Jacqui Lambie, a meeting was held with the Police OIC, Emma Barnes, and representatives from the Pakaanu Aboriginal Corporation to discuss the problem and work out a strategy to move the people on.

This commenced on the Thursday afternoon and into Friday with the Pakaanu Aboriginal Corporation supplying fuel for the vehicles to leave Laverton and Council agreeing to top the vehicles up with fuel, if need be, at the Tjukayirla Roadhouse to keep them moving on to Warburton (and beyond).

I am more than happy to discuss this matter with members of the public if you feel the need to do so.

Cattle Wandering at large

Unfortunately cattle continue to wander at large through the Laverton townsite. It was hoped that with the recent rainfall the problem may have been alleviated however as we know cattle are creatures of habit and the wandering has continued. Council is continuing work with the pastoral stations to bring this problem to an end.

I acknowledge that it is / has been annoying for local residents but believe me Council feels the pain as well due to damage to the oval and destruction of many plants around town.

We will continue to do our best.

Airfield Apron Upgrade

This project is well underway and we look forward to its completion around the end of March early April. The project is proving very much in need as we have been experiencing some congestion at the airfield with additional charter movements.

Executive Manager Technical Services

Mr Greg Stephens has been appointed to the EMTS position and will commence with the Shire on Tuesday 3rd March 2020. Greg comes with a great deal of experience having worked in similar positions in various areas within the local government sector, the most recent being the Flinders Ranges Council in South Australia.

Mr Wayne Butler, who has been acting in the EMTS position since Les' departure 5 December 2019, will finish up on Friday 6 March 2020. We thank Wayne for his committed efforts whilst occupying the EMTS seat.

General Matters

Various other works continue and these include, but not limited to:

- Renewal of Lease with the Commonwealth Government for the Centrelink Building
- Refurbishment of the Old Court House Building
- Negotiating a new lease with St John Ambulance WA Australia for the Laverton Sub Centre property

Works and Services

Some of the current activities in the Works and Services area include:

- Maintenance grading on the full length of the Laverton Shire section of the Great Central Road. In addition, distance markers have been placed along the length of the road from Laverton to the Shire boundary.

- The reseal of SLK 46.50 on the Bandy Road has been completed along with gravel re-construction/re-sheeting of a section of road between SLK15.00 and SLK22.50.
- The Mt Weld Road construction work was completed and the road sealed in Mid-January. However, a section sustained significant damage, due to a rain event, soon after completion. This, along with damage a number of other roads, will form the nucleus of a claim to DFES for storm damage grant funding.
- WANDRRA 2018 reinstatement works have already been undertaken on Bandy, Erlistoun, and Erlistoun-Nambi Roads, with additional works expected to be completed by June 2020 on Prenti Downs, Lake Wells and Great Central Roads.
- The Shire is currently awaiting quotes for repairs to the Main Street lighting.
- Shade cloth protection has been installed around the Swimming Pool fence line and the adjacent car parking area has been sealed to help reduce sand / dust blowing into the Pool.
- Currently asphalt works are being undertaken at Wedgewood Close, Cumba Close, the intersection of Laverton-Leonora Road/Lancefield Road and the floodway crossing on the Great Central Road adjacent to Boomers Camp.
- For the next few months, Council's Construction Crew will be undertaking re-construction/re-sheeting works on the Great Central Road, between SLK143.00 and SLK151.00.

Peter Naylor
Chief Executive Officer

Laver ton Police Report: March 2020

Laver ton Police are proud to announce that the Nightfields footy program will be returning once again this year, building on the success of last year. We are excited to promote a few changes, aimed at enhancing the enjoyment for all participants.

In the coming weeks parents will receive permission slips to allow their children to take part in the program. This will include details of what is expected from the children in order to participate including an acceptable level of school attendance and a night time curfew.

Laver ton Police in conjunction with Lauren and Bunz will once again be in charge of running the programme, with funding supplied by Gold Fields mining. This program will provide Laver ton youth the opportunity of fun, exercise, out of school activities as well as breaking down barriers and strengthening relationships with Police and the community. Volunteers in the community who are willing to assist in the program are more than welcome to attend the sessions.

The first training session will be held on Tuesday 17th March 2020, with parents encouraged to attend and support the kids. A free BBQ will be held at the end with Police taking this opportunity to speak with the youths about community issues, as well as future development opportunities. From the initial date, two sessions will be held weekly on Tuesday and Thursday afternoon's from 3pm to 5pm.

The program was successful last year in boosting school attendance, providing an avenue for youth to engage with Police and rewarding those who demonstrated great participation in the sessions. We are confident the Laver ton Community will continue to support this initiative.

LAVERTON NIGHTFIELDS

WHO: 8 – 18 year-old youth

Department of Health
Government of Western Australia
WA Country Health Service

WACHS Goldfields

Population Health

Conditional Aboriginal Health Worker

Fixed Term - Full Time

AEHW Level 1 \$1045.92 - \$1,096.29 per week

Position No: 00614136

Location: Leonora/Laverton

This is a Fixed Term Full Time appointment until 10/05/2021, with the possibility of extension(s).

WA Health embraces diversity and is committed to eliminating all forms of discrimination in the provision of our service.

WA Health supports flexible working practices within the context of a quality health service. WA Health is committed to a smoke free environment across all buildings, grounds and vehicles.

Eligibility to Apply: Australian citizenship or permanent residency is an essential requirement for applicants to be considered for permanent positions in the public sector.

Pursuant of Section 50(d) of the *Equal Opportunity Act 1984*, the occupant of this position must be of Aboriginal descent.

Other Conditions: WA Health engages staff in positions of trust and responsibility. WA Health policies require applicants to undertake criminal records screening and integrity checking as part of the appointment process. Referees may also be asked to comment on an applicant's integrity and past demonstration of ethical behaviour.

This vacancy is subject to a Western Australian Working With Children (WWC) Check. For further information please refer to the WWC website at: <https://workingwithchildren.wa.gov.au>

Please note this recruitment process requires completion of satisfactory Pre-Employment Health Assessment (PEHA). Any offer of employment with WA Country Health Service (WACHS) is conditional on satisfactory PEHA to ensure you are able to perform the inherent requirements of the position. An unsatisfactory PEHA will result in the offer of employment being withdrawn. Please see the attached WACHS PEHA Policy for further information.

Whilst this selection process will initially be used to fill the above vacancy, it may also be used to fill other "similar" vacancies throughout the health service. In addition to this, should the successful applicant decline or vacate the advertised vacancy, then the next most suitable applicant may also be selected from this process. Both of these options remain valid for a period of six (6) months from when the authorised delegate endorses the recruitment decision.

Position Profile: We are seeking to appoint a suitably experienced person to the position of Conditional Aboriginal Health Worker. This position is to be filled by a person interested in completing Aboriginal Health Worker education and is not suitable for people who already hold Aboriginal Health Worker education. The incumbent will be supported to complete an Aboriginal Health Worker certificate.

This position provides Aboriginal Health Work within a given community/locality and ensures a Primary Health Care approach to service delivery, under the supervision of the Clinical Nurse or Clinical Nurse Manager.

Area Profile: The WA Country Health Service (WACHS) is the largest country health system in Australia and one of the biggest in the world, providing health services to approximately half a million people, including 45,000 Aboriginal people, over a vast two and a half million square kilometre area. The organisation comprises seven regions, with a strong network of public hospitals, health services and health centres located across rural and remote Western Australia. Our core business is the provision of quality, accessible health services to country WA residents and visitors.

Employee Benefits: In addition to the great salary our employees enjoy an amazing range of benefits which may include (in line with operational requirements):

- 9.5% employer contributed superannuation into a fund of your choice. For further information go to: <http://www.treasury.wa.gov.au/Superannuation/Employees/Overview/>
- Access to generous salary packaging arrangements
- Professional Development Opportunities and Study Leave/assistance
- Other professional and location based allowances

Selection Criteria: Please see the attached Job Description Form.

For Further Job Related Information: We encourage you to contact Naomi Sprigg dos Santos on 08 9080 4380.

If you experience difficulties while applying online, please contact Employee Services on 13 44 77 for immediate assistance during business hours.

Application Instructions: Applicants are requested to apply online.

It is preferable for your referee to be a current supervisor or manager.

Applicants are advised to write a covering letter outlining their suitability for this position, and attach their current resume or curriculum vitae. These documents should be complete and ready to attach prior to applying online. Please ensure you allow sufficient time to complete the online application process as you will be required to answer various questions and attach your documentation. Alternatively you can request for an application information package to be sent to you by calling 08 6444 5815.

APPLICANTS MUST ENSURE THAT THEIR APPLICATION IS RECEIVED IN FULL USING ONE OF THE METHODS OUTLINED IN THE APPLICANT INFORMATION PACKAGE PRIOR TO THE CLOSING DATE AND TIME (PLEASE NOTE: EMAILED APPLICATIONS WILL NOT BE ACCEPTED).

APPLICATIONS RECEIVED AFTER THE CLOSING DATE AND TIME WILL NOT BE ACCEPTED.

CLOSING DATE: Monday 16 March 2020 at 4:00pm

Laverton Community Resource Centre News- March 2020

What is coming up?

- Wednesday 25 March - Teddy Bears Picnic, LLCCA, 10:30am
- Saturday 28 March - Community Market Day, 9:00am, Great Beyond
- Tuesday 7 April - FREE Project Planning Workshop
- April 14-17, Holiday Science Program

Happy March everyone and welcome to the 2nd edition of the Sturt Pea magazine for 2020.

The annual Teddy Bears Picnic will be held on Wednesday 25 March and will be held at the Laverton Cross Cultural Association from 10:30am, for children aged 0-5 years - look out for the hidden balloon bears which will be around town in the coming weeks!

On Saturday 28 March there will be a community Market Day held at the Great Beyond, 8:00am-11:00am. If you would like to host a stall application forms can be collected from the Community Resource Centre or Great beyond Visitor Centre. Applications need to be submitted by COB Friday 13 March.

There is a Free project planning workshop being held at the Community Resource Centre on Tuesday 7 April - this workshop will assist anyone who has the responsibility of planning community events, programs or projects. Facilitator Ali Kent from Compass Project Consultancy delivered a grant writing workshop late last year which was very informative, relevant and provided user friendly resources, I encourage Laverton and other interested parties to take advantage of this upcoming workshop.

safeTALK

Free Suicide Alert Training for Community

safeTALK is a 3.5hr suicide alertness workshop offering valuable skills to every audience member, regardless of professional experience or prior training. Most people with thoughts of suicide don't truly want to die but are struggling with the pain in their lives. Through their words and actions, they may be inviting help to stay alive. This workshop is for anyone aged 18 and over who wants to develop the skills to recognise these invitations and take action by connecting them with life-saving resources. While safeTALK is designed for professionals and community members alike, this workshop may not be appropriate for those who are grieving or have been recently impacted by Suicide. We ask that you read carefully consider if this training is suitable for you, at this point in time. If you're unsure, please contact LivingWorks Facilitator Lorna Hirsch; M **0411 555 422** E lorna.hirsch@livingworks.com.au

Thursday 26th March 2020

Facilitated by Lorna Hirsch and Wayne McIntosh

9am - 1pm OR 3pm - 7pm

Laverton Town Hall

Lunch or Light Dinner Provided

Registration Essential

To register or for general enquiries, please contact Susan Kusters

P **9021 3069** M **0438 554 856** E susan.kusters@hopecs.org.au

This workshop has been fully funded by WAPHA and with support from Hope Community Services, has been provided **FREE of charge for all participants**. Elsewhere, this workshop may cost up to \$50.00pp.

ASIST

Free Applied Suicide Intervention Skills Training

ASIST is a two-day interactive workshop in suicide first-aid founded on the principle that everyone can make a difference in preventing suicide. ASIST teaches participants to recognise when someone may be thinking about suicide and work with them to create a plan that will support their immediate safety. Although ASIST is widely used by healthcare providers, participants don't need any formal training to attend the workshop. This workshop is for anyone aged 18 and older who wants to develop the skills to intervene and help save a life from suicide. While ASIST is designed for professionals and community members alike, this workshop may not be appropriate for those who are grieving or have been recently impacted by Suicide. We ask that you carefully consider if this training is suitable for you, at this point in time. If you're unsure, please contact LivingWorks Facilitator Lorna Hirsch; M: 0411 555 422 E lorna.hirsch@livingworks.com.au

24-25 March 2020

Facilitated by Lorna Hirsch and Stephen Morrison

9am - 4pm

Laverton Town Hall

Morning tea, lunch and afternoon tea provided both days

Registration Essential

We ask that you only register if you can commit to attending **BOTH FULL DAYS** of training

To register or for general enquiries, please contact Susan Kusters

P 9021 3069 E susan.kusters@hopecs.org.au

This workshop has been fully funded by WAPHA and with support from Hope Community Services, has been provided **FREE of charge for all participants**. Elsewhere, this workshop may cost up to \$375.00pp.

If you need support now please contact LifeLine WA on 13 11 14 or the Suicide Call Back Service on 1300 659 467

Laverton welcomes Coolgardie youth in a Swim 4 Fruit Challenge

The Laverton Aquatic Centre have been running a popular and very successful Royal Life Saving Society, Swim 4 Fruit program since October 2019.

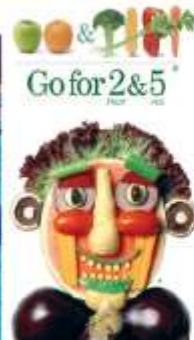

Supported by Laverton Youth Services, this fun initiative aims to get kids active in the pool, improving their swimming skills and safety around water and promotes healthy lifestyle habits to the community. The Shire of Coolgardie have been running a similar program.

The two Aquatic Managers Janine Rowe (Laverton), Kathy Brooking (Coolgardie), Lifeguard Krystal Thompson and Laverton Youth Services, organised a Swim 4 Fruit Fun Challenge at Laverton pool in early February.

Laverton Aquatic Centre welcomed 13 children and staff (Leanne, Mitchell, Karen and Donelle), from Coolgardie, for an afternoon of swimming activities and games, followed by a BBQ lunch with plenty of healthy fruit too!

This is the second time in recent months that the two Shires have shared information, worked and collaborated together. In November 2019, Leanne Shilton, Recreation and Community Development Manager Shire of Coolgardie, made a visit to Laverton to learn more about the Youth Services Team's award winning programs and activities.

Laverton youth have been invited to a reciprocal trip to Coolgardie pool next season.

Jo Morgan, Community Development Manager

Laverton Youth Services

With School back and everyone in routine the Youth Services team are planning some new exciting activities for the year. Here are some of our memorable moments from the recent holiday. **BIG** thank you to Goldfields YMCA for your fun activities on both visits.

CLEAN UP AUSTRALIA DAY

We need your help to make Australia beautiful by taking part in Clean Up Australia Day!

We are seeking volunteers to spend a couple of hours to help tidy up the town streets. Check out posters around town.

Saturday 14 March from 9.00am

JOIN THE REUSE REVOLUTION!

The Great Beyond Visitors Centre is now stocking Keep Cups!

Did you know Australia uses an estimated 1 Billion disposable coffee cups annually? If we lined these up, they would stretch around the world twice!

Come in and see our range of branded Keep Cups, and keep bringing it back to get a discount on your favourite hot drink.

NEW BOOK PANSY'S SHANTY

A story of the activities of Pansy Arlington, the owner of sly grog shanty and brothel in the Laverton area.

The book is an insight into the life of hard drinking miners and the pursuit of self indulgence. This story sprang from the Laverton History Project which is dedicated to preserving the history of the Laverton Shire.

Lavertons Seniors Exhibition

Don't miss your last chance to see the Laverton Seniors Exhibition in the Great Beyond's Hall of fame.

The exhibition will be here until the 31st of March.

Clean Up

STEP UP TO CLEAN UP

DID YOU KNOW?

Plastics are the most common rubbish item found on Clean up Australia Day, representing over 33% of all rubbish collected over the past 10 years. This includes drink containers, confectionery packets and water bottles, all of which pose a huge threat to wildlife and our environment. Recycling plastic saves energy, valuable resources and helps to protect the environment.

Aluminium and steel are extremely versatile materials and feature in a wide range of products from drink cans to vehicles and buildings. It is estimated that Australians consume 450,000 tonnes of aluminium for building and construction, packaging and transport every year. Sending steel and aluminium to landfill is a waste of resources because less energy is required to reprocess the recycled steel and aluminium than it was to originally produce them.

Wongutha Way Alliance (WWA)

Logo Competition

LOCAL ABORIGINAL ARTISTS ARE INVITED TO SUBMIT ARTWORK FOR THE WONGUTHA WAY ALLIANCE LOGO

The competition is now open and closes 5:00 p.m. Tuesday 24 March 2020.

The winning entrant will receive \$1000*

The Wongutha Way Alliance invites local Aboriginal artists who currently reside in the Goldfields-Esperance and Central Desert regions of WA to submit artwork for our logo.

We are seeking a logo that will be:

- used for representation and branding of the Wongutha Way Alliance.
- featured on our project documents, website, signs and uniforms.

What we are looking for in the logo:

- Simple and legible at a size of 5cm long and 2.5cm high with no more than 5 colours
- Design appropriate for embroidering
- Incorporates ideas which could include:
 - A road through the desert
 - Traditional stories from the region
 - the letters "WWA"

To register your interest:

Please contact Julie at the Laverton Gallery / 08 9031 1395 / admin@llcca.org.au

Key dates:

Competition opens	Tuesday, 3 March 2020
Competition closes	5pm Tuesday, 24 March 2020
Winner announced and contacted	April 2020

About the Wongutha Way Alliance:

CareyMC and Central Earthmoving have entered into an Alliance with Main Roads WA for the contract to upgrade Great Central Road, part of the Outback Way – Australia's Longest Shortcut. It will include reforming the road and sealing the surface to progress the intentions of the Federal, WA, NT and QLD governments to eventually seal the entire route from Laverton to Winton in Queensland, creating Australia's third transcontinental highway.

* Prize includes copyright fees. No payment or fee will be made to non-successful entrants. WWA reserves the right to award the prize at its own sole discretion, including rejecting all entrants.

We look forward to seeing the entries.

Matts Movie Reviews

Good Omens. M

Summary: The adaptation of Terry Pratchett and Neil Gaiman's fantasy novel of the same name where the End of the World is fast approaching and after many years of living with mortals, Aziraphale the angel (Michael Sheen) and Crowley the demon (David Tennant) decide they must stop the Apocalypse but first they must find the 11-year-old Antichrist (Sam Taylor Buck).

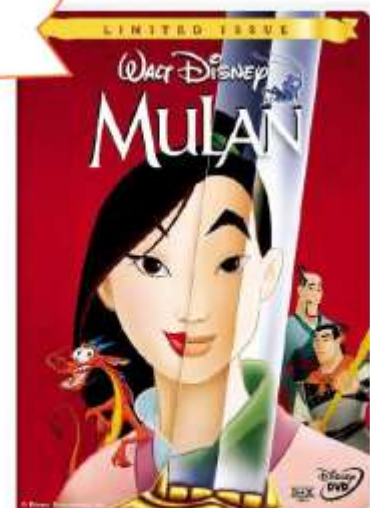

David Tennant as a rock god of a demon and Michael Sheen as a conflicted angel are pure magic! The rest of the cast supports them wonderfully...-
Online review

Disney Keeps On Delivering

Mulan is an absolutely fantastic film with it's beautiful animation, great writing, and epic action scenes.- *Online review*

Mulan. G

Summary: Fearful that her ailing father will be drafted into the Chinese military, Mulan (Ming-Na Wen) takes his spot -- though, as a girl living under a patriarchal regime, she is technically unqualified to serve. She cleverly impersonates a man and goes off to train with fellow recruits. Accompanied by her dragon, Mushu (Eddie Murphy), she uses her smarts to help ward off a Hun invasion, falling in love with a dashing captain along the way.

Matts Movie Reviews

It is a thrilling, intelligent, deeply-felt movie that does not play by the typical rules of franchise building in modern Hollywood.. –
Online review

The Hunger Games. M

Summary: Every year in the ruins of what was once North America, the evil Capitol of the nation of Panem forces each of its twelve districts to send a teenage boy and girl to compete in the Hunger Games. A twisted punishment for a past uprising and an ongoing government intimidation tactic, The Hunger Games are a nationally televised event in which "Tributes" must fight with one another until one survivor remains. Pitted against highly-trained Tributes who have prepared for these Games their entire lives, Katniss is forced to rely upon her sharp instincts as well as the mentorship of drunken former victor Haymitch Abernathy. If she's ever to return home to District 12, Katniss must make impossible choices in the arena that weigh survival against humanity and life against love.

This is not a great film, but it is a reasonably good one... –
Online review

Table 19. M

Summary: Ex-maid of honor Eloise- having been relieved of her duties after being unceremoniously dumped by the best man via text - decides to hold her head up high and attend her oldest friend's wedding anyway. She finds herself seated at the 'random' table in the back of the ballroom with a disparate group of strangers, most of whom should have known to just send regrets. As everyone's secrets are revealed, Eloise learns a thing or two from the denizens of Table 19. Friendships - and even a little romance - can happen under the most unlikely circumstances.

GOLD FIELDS

HON ROBIN SCOTT MLC OF KALGOORLIE-BOULDER Member for Mining and Pastoral

At the age of sixteen Robin Scott came from Scotland with his parents to Western Australia, where he enrolled as an apprentice electrician. Immensely proud of his trade, Robin has worked for more than 30 years as an electrical contractor to the WA mining industry, especially the Goldfields. Flying himself and his staff to electrical contracting assignments, Robin logged 4,000 hours in his Rockwell Commander, the aircraft he now uses to service his constituents in the vast Mining and Pastoral Region.

Robin is an enthusiastic campaigner for job opportunities through creating more apprenticeships for young men and young women. The Federal Government has partially embraced the Pauline Hanson's One Nation Policy of subsidising apprentice wages 75% in the first year, 50% in the second and 25% in the third year.

Robin Scott moved the Disallowance Motion which defeated the Government's attempt to increase the Gold Royalty by 50%. Robin is determined to protect and promote mining and led the defence against water charges for prospectors and small miners.

Robin's priorities for 2019 include:

- Water pipeline south from the Kimberley
- Supply good clean water for all regional people
- Reopen the Department of Mines Industry Regulation Safety Office in Norseman
- Sealing the Wiluna-Meekatharra Road
- Insist on rapid delivery of the promised MRI machine for Kalgoorlie
- Big upgrade for palliative care in the regions
- Aged care facility for Leonora
- New hospital for Laverton
- New Hospital for Meekatharra
- Ensure the Nursing posts are manned by more than one nurse and are secure and safe for staff
- Abolish fringe benefit tax to encourage FIFO workers to live locally
- Speed up dog fencing and increase the number of professional doggers
- More jobs through quicker approvals for mines

Quit for new life

Planning to have a baby or discovering you're pregnant can be one of the best moments in your life. This is the time to change to a healthier lifestyle for you and your family. Having a balanced diet, taking the right medication and participating in physical activity are some ways to get healthy. But the most important change you can make for yourself and your family is monitoring your use of tobacco smoking and exposure to second-hand smoke.

According to the Australian Institute of Health and Welfare (AIHW), around 12% of women smoked at some time during their pregnancy. The smoking rates were higher among younger mothers (34%) and Aboriginal women (47%).

Smoking during pregnancy is harmful to the health of both the mother and the unborn child. Cigarette smoke contains more than 7000 chemicals, including lead, nicotine, cyanide, cadmium, mercury, carbon monoxide and tar. Around 70 of these chemicals are known to cause cancer. These chemicals travel to the unborn baby through absorption into the mother's blood and disturbs the supply of essential nutrients to both the mother and baby, increasing the risk of potential health problems. Carbon monoxide reduces oxygen supply leading to poor development of baby. In fact, smoking during pregnancy can lead to just some of these problems:

- Lower birth weight (underdeveloped organs including lungs, heart and brain);
- Premature birth (being born too early);
- Miscarriage;
- Stillbirth (baby is not alive when born);
- Increased risk of SIDS (sudden infant death syndrome); and
- Babies are at higher risk of getting asthma, high blood pressure and diabetes.

These complications can also develop if pregnant women and newborn babies are exposed to passive (second-hand) smoking. Smoking after pregnancy can also harm a baby as these chemicals easily transfer through breast milk.

Stopping smoking is the best thing you can do for yourself and your baby. It is financially rewarding and socially acceptable too. It can be difficult for some people to quit, and especially hard while pregnant, but having strong motivation and determination will benefit you, your baby and your entire family.

Some practical steps to take if you are regularly exposed to smokers and to protect your family from passive smoking include:

- Wherever possible, move away from people who are smoking, or stay in non-smoking areas;
- Make your home and car smoke-free; and
- Put up 'No Smoking' signs around the house.

Talk to your doctor, midwife or health practitioner for more information and support. Call Quitline on 13 78 48 for a free professional and confidential counselling service. You can also use "Quit for you, Quit for two" smartphone app for further support and encouragement. Contact Bega Tobacco Action Team on 9022 5500 for information and support on quitting smoking. We are running 'My Smoke-free Pregnancy Competition' to encourage pregnant mums to quit smoking. You can win up to \$500 worth of prizes if you cut down or quit smoking during pregnancy.
